10 field burning of cereal grains and field and turf grass grown for seed.
11 The exemptions and credits are available to farmers and to other
12 persons engaged in activities that make it possible to reduce field
13 burning including persons involved in manufacturing or marketing straw
14 or straw-based products, or to reduce the air emissions resulting from
15 such burning. It is the intent of the legislature that the exemptions
16 and credits provided by this act apply not only to facilities and
17 machinery and equipment for alternatives currently available, but also
18 to those that may become available in the future.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 82.08 RCW
2 to read as follows:

3 (1) The tax levied by RCW 82.08.020 does not apply to sales of
4 machinery and equipment, and to services rendered in respect to

6 decorating, altering, or improving of structures or eligible machinery
7 and equipment, or to sales of tangible personal property that becomes
8 an ingredient or component of eligible structures or eligible machinery
9 and equipment, if the machinery, equipment, or structure is used
10 exclusively:

11 (a) For gathering, densifying, processing, handling, storing,

16 cereal grains and field and turf grass grown for seed.

17 (2) A person taking the exemption under this section must keep
18 records necessary for the department to verify eligibility under this
19 section. The exemption is available only when the buyer provides the

31 used primarily:

32 (a) For gathering, densifying, processing, handling, storing,
33 transporting, or incorporating straw or straw-based products that will
34 result in a reduction in field burning of cereal grains and field and
35 turf grass grown for seed;

36 (b) To decrease air emissions resulting from field burning of
37 cereal grains and field and turf grass grown for seed; or

1 (c) To otherwise materially contribute to the reduction of field

12 subject to the limitations in this section.

13 (2) The credit under this section is equal to fifty percent of the
14 amount of costs expended for constructing structures or acquiring
15 machinery and equipment for which an exemption was taken under section
16 2 or 3 of this act.

17 (3) No application is necessary for the credit under this section.
18 A person taking the credit must keep records necessary for the
19 department to verify eligibility under this section. Tax credit may
20 not be claimed for expenditures that occurred before the effective date
21 of this section.

22 (4) No applicant is eligible for tax credits under this section in
