Sommers)

Read first time 02/08/2000. Referred to Committee on .

1 AN ACT Relating to health care patient protection; amending RCW
2 70.02.110, 70.02.900, 51.04.020, 74.09.050, and 70.47.130; adding new
3 sections to chapter 48.43 RCW; adding a new section to chapter 70.02
4 RCW; adding a new section to chapter 43.70 RCW; adding new sections to
5 chapter 41.05 RCW; creating new sections; repealing RCW 48.43.075 and
6 48.43.095; and providing an effective date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** PATIENT RIGHTS. It is the intent of the
9 legislature that enrollees covered by health plans receive quality
10 health care designed to maintain and improve their health. The purpose
11 of this act is to ensure that health plan enrollees:

12 (1) Have improved access to information regarding their health
13 plans;

14 (2) Have sufficient and timely access to appropriate health care
15 services, and choice among health care providers;

16 (3) Are assured that health care decisions are made by appropriate
17 medical personnel;

18 (4) Have access to a quick and impartial process for appealing plan
19 decisions;

1 (5) Are protected from unnecessary invasions of health care
2 privacy; and

3 (6) Are assured that personal health care information will be used
4 only as necessary to obtain and pay for health care or to improve the
5 quality of care.

6 NEW SECTION. **Sec. 2.** A new section is added to chapter 70.02 RCW
7 to read as follows:

8 HEALTH INFORMATION PRIVACY. Third-party payors and insurers
9 regulated under Title 48 RCW shall not release health care information
10 disclosed under this chapter, except to the extent that health care
11 providers are authorized to do so under RCW 70.02.050.

12 **Sec. 3.** RCW 70.02.110 and 1991 c 335 s 402 are each amended to
13 read as follows:

14 HEALTH INFORMATION PRIVACY. (1) In making a correction or
15 amendment, the health care provider shall:

16 (a) Add the amending information as a part of the health record;
17 and

18 (b) Mark the challenged entries as corrected or amended entries and
19 indicate the place in the record where the corrected or amended
20 information is located, in a manner practicable under the
21 circumstances.

22 (2) If the health care provider maintaining the record of the
23 patient's health care information refuses to make the patient's
24 proposed correction or amendment, the provider shall:

25 (a) Permit the patient to file as a part of the record of the
26 patient's health care information a concise statement of the correction
27 or amendment requested and the reasons therefor; and

28 (b) Mark the challenged entry to indicate that the patient claims
29 the entry is inaccurate or incomplete and indicate the place in the
30 record where the statement of disagreement is located, in a manner
31 practicable under the circumstances.

32 (3) A health care provider who receives a request from a patient to
33 amend or correct the patient's health care information, as provided in
34 RCW 70.02.100, shall forward any changes made in the patient's health
35 care information or health record, including any statement of
36 disagreement, to any third-party payor or insurer to which the health

1 care provider has disclosed the health care information that is the
2 subject of the request.

3 **Sec. 4.** RCW 70.02.900 and 1991 c 335 s 901 are each amended to
4 read as follows:

5 HEALTH INFORMATION PRIVACY. (1) This chapter does not restrict a
6 health care provider, a third-party payor, or an insurer regulated
7 under Title 48 RCW from complying with obligations imposed by federal
8 or state health care payment programs or federal or state law.

9 (2) This chapter does not modify the terms and conditions of
10 disclosure under Title 51 RCW and chapters 13.50, 26.09, 70.24, 70.39,
11 70.96A, 71.05, and 71.34 RCW and rules adopted under these provisions.

12 NEW SECTION. **Sec. 5.** HEALTH INFORMATION PRIVACY. (1) Health
13 carriers and insurers shall adopt policies and procedures that conform
14 administrative, business, and operational practices to protect an
15 enrollee's right to privacy or right to confidential health care
16 services granted under state or federal laws.

17 (2) The commissioner may adopt rules to implement this section
18 after considering relevant standards adopted by national managed care
19 accreditation organizations and the national association of insurance
20 commissioners, and after considering the effect of those standards on
21 the ability of carriers to undertake enrollee care management and
22 disease management programs.

23 NEW SECTION. **Sec. 6.** INFORMATION DISCLOSURE. (1) A carrier that
24 offers a health plan may not offer to sell a health plan to an enrollee
25 or to any group representative, agent, employer, or enrollee
26 representative without first offering to provide, and providing upon
27 request, the following information before purchase or selection:

28 (a) A listing of covered benefits, including prescription drug
29 benefits, if any, a copy of the current formulary, if any is used,
30 definitions of terms such as generic versus brand name, and policies
31 regarding coverage of drugs, such as how they become approved or taken
32 off the formulary, and how consumers may be involved in decisions about
33 benefits;

34 (b) A listing of exclusions, reductions, and limitations to covered
35 benefits, and any definition of medical necessity or other coverage
36 criteria upon which they may be based;

1 (c) A statement of the carrier's policies for protecting the
2 confidentiality of health information;

3 (d) A statement of the cost of premiums and any enrollee cost-
4 sharing requirements;

5 (e) A summary explanation of the carrier's grievance process;

6 (f) A statement regarding the availability of a point-of-service
7 option, if any, and how the option operates; and

8 (g) A convenient means of obtaining lists of participating primary
9 care and specialty care providers, including disclosure of network
10 arrangements that restrict access to providers within any plan network.
11 The offer to provide the information referenced in this subsection must
12 be clearly and prominently displayed on any information provided to any
13 prospective enrollee or to any prospective group representative, agent,
14 employer, or enrollee representative.

15 (2) Upon the request of any person, including a current enrollee,
16 prospective enrollee, or the insurance commissioner, a carrier must
17 provide written information regarding any health care plan it offers,
18 that includes the following written information:

19 (a) Any documents, instruments, or other information referred to in
20 the medical coverage agreement;

21 (b) A full description of the procedures to be followed by an
22 enrollee for consulting a provider other than the primary care provider
23 and whether the enrollee's primary care provider, the carrier's medical
24 director, or another entity must authorize the referral;

25 (c) Procedures, if any, that an enrollee must first follow for
26 obtaining prior authorization for health care services;

27 (d) A written description of any reimbursement or payment
28 arrangements, including, but not limited to, capitation provisions,
29 fee-for-service provisions, and health care delivery efficiency
30 provisions, between a carrier and a provider or network;

31 (e) Descriptions and justifications for provider compensation
32 programs, including any incentives or penalties that are intended to
33 encourage providers to withhold services or minimize or avoid referrals
34 to specialists;

35 (f) An annual accounting of all payments made by the carrier which
36 have been counted against any payment limitations, visit limitations,
37 or other overall limitations on a person's coverage under a plan;

38 (g) A copy of the carrier's grievance process for claim or service
39 denial and for dissatisfaction with care; and

1 (h) Accreditation status with one or more national managed care
2 accreditation organizations, and whether the carrier tracks its health
3 care effectiveness performance using the health employer data
4 information set (HEDIS), whether it publicly reports its HEDIS data,
5 and how interested persons can access its HEDIS data.

6 (3) Each carrier shall provide to all enrollees and prospective
7 enrollees a list of available disclosure items.

8 (4) Nothing in this section requires a carrier or a health care
9 provider to divulge proprietary information to an enrollee.

10 (5) No carrier may advertise, market, or present any health plan to
11 the public as a plan that covers services that help prevent illness or
12 promote the health of enrollees unless it:

13 (a) Provides all clinical preventive health services provided by
14 the basic health plan, authorized by chapter 70.47 RCW;

15 (b) Monitors and reports annually to enrollees on standardized
16 measures of health care and satisfaction of all enrollees in the health
17 plan. The state department of health shall recommend appropriate
18 standardized measures for this purpose, after consideration of national
19 standardized measurement systems adopted by national managed care
20 accreditation organizations and state agencies that purchase managed
21 health care services; and

22 (c) Makes available upon request to enrollees its integrated plan
23 to identify and manage the most prevalent diseases within its enrolled
24 population, including cancer, heart disease, and stroke.

25 (6) No carrier may preclude or discourage its providers from
26 informing an enrollee of the care he or she requires, including various
27 treatment options, and whether in the providers' view such care is
28 consistent with the plan's health coverage criteria, or otherwise
29 covered by the enrollee's medical coverage agreement with the carrier.
30 No carrier may prohibit, discourage, or penalize a provider otherwise
31 practicing in compliance with the law from advocating on behalf of an
32 enrollee with a carrier. Nothing in this section shall be construed to
33 authorize a provider to bind a carrier to pay for any service.

34 (7) No carrier may preclude or discourage enrollees or those paying
35 for their coverage from discussing the comparative merits of different
36 carriers with their providers. This prohibition specifically includes
37 prohibiting or limiting providers participating in those discussions
38 even if critical of a carrier.

1 (8) Each carrier must communicate enrollee information required in
2 this act by means that ensure that a substantial portion of the
3 enrollee population can make use of the information.

4 NEW SECTION. **Sec. 7.** ACCESS TO APPROPRIATE HEALTH SERVICES. (1)
5 Each enrollee in a health plan must have adequate choice among health
6 care providers.

7 (2) Each carrier must allow an enrollee to choose a primary care
8 provider who is accepting new enrollees from a list of participating
9 providers. Enrollees also must be permitted to change primary care
10 providers at any time with the change becoming effective no later than
11 the beginning of the month following the enrollee's request for the
12 change.

13 (3) Each carrier must have a process whereby an enrollee with a
14 complex or serious medical or psychiatric condition may receive a
15 standing referral to a participating specialist for an extended period
16 of time.

17 (4) Each carrier must provide for appropriate and timely referral
18 of enrollees to a choice of specialists within the plan if specialty
19 care is warranted. If the type of medical specialist needed for a
20 specific condition is not represented on the specialty panel, enrollees
21 must have access to nonparticipating specialty health care providers.

22 (5) Each carrier shall provide enrollees with direct access to the
23 participating chiropractor of the enrollee's choice for covered
24 chiropractic health care without the necessity of prior referral.
25 Nothing in this subsection shall prevent carriers from restricting
26 enrollees to seeing only providers who have signed participating
27 provider agreements or from utilizing other managed care and cost
28 containment techniques and processes. For purposes of this subsection,
29 "covered chiropractic health care" means the scope of covered benefits
30 for chiropractic health services as stated in the plan's medical
31 coverage agreement, with the exception of any provisions related to
32 prior referral for services.

33 (6) Each carrier must provide, upon the request of an enrollee,
34 access by the enrollee to a second opinion regarding any medical
35 diagnosis or treatment plan from a qualified participating provider of
36 the enrollee's choice.

37 (7) Each carrier must cover services of a primary care provider
38 whose contract with the plan or whose contract with a subcontractor is

1 being terminated by the plan or subcontractor without cause under the
2 terms of that contract for no longer than sixty days following notice
3 of termination to the enrollees or, in group coverage arrangements
4 involving periods of open enrollment, only until the end of the next
5 open enrollment period. The provider's relationship with the carrier
6 or subcontractor must be continued on the same terms and conditions as
7 those of the contract the plan or subcontractor is terminating, except
8 for any provision requiring that the carrier assign new enrollees to
9 the terminated provider.

10 (8) Every carrier shall meet the standards set forth in this
11 section and any rules adopted by the commissioner to implement this
12 section. In developing rules to implement of this section, the
13 commissioner shall consider relevant standards adopted by national
14 managed care accreditation organizations and state agencies that
15 purchase managed health care services.

16 NEW SECTION. **Sec. 8.** HEALTH CARE DECISIONS. (1) Carriers that
17 offer a health plan shall maintain a documented utilization review
18 program description and written utilization review criteria based on
19 reasonable medical evidence. The program must include a method for
20 reviewing and updating criteria. Carriers shall make clinical
21 protocols, medical management standards, and other review criteria
22 available upon request to participating providers.

23 (2) The commissioner shall adopt, in rule, standards for this
24 section after considering relevant standards adopted by national
25 managed care accreditation organizations and state agencies that
26 purchase managed health care services.

27 (3) A carrier shall not be required to use medical evidence or
28 standards in its utilization review of religious nonmedical treatment
29 or religious nonmedical nursing care.

30 NEW SECTION. **Sec. 9.** RETROSPECTIVE DENIAL OF SERVICES. (1) A
31 health carrier that offers a health plan shall not retrospectively deny
32 coverage for emergency and nonemergency care that had prior
33 authorization under the plan's written policies at the time the care
34 was rendered.

35 (2) The commissioner shall adopt, in rule, standards for this
36 section after considering relevant standards adopted by national

1 managed care accreditation organizations and state agencies that
2 purchase managed health care services.

3 NEW SECTION. **Sec. 10.** GRIEVANCE PROCESS. (1) Each carrier that
4 offers a health plan must have a fully operational, comprehensive
5 grievance process that complies with the requirements of this section
6 and any rules adopted by the commissioner to implement this section.
7 For the purposes of this section, the commissioner shall consider
8 grievance process standards adopted by national managed care
9 accreditation organizations and state agencies that purchase managed
10 health care services.

11 (2) Each carrier must process as a complaint an enrollee's
12 expression of dissatisfaction about customer service or the quality or
13 availability of a health service. Each carrier must implement
14 procedures for registering and responding to oral and written
15 complaints in a timely and thorough manner.

16 (3) Each carrier must provide written notice to an enrollee or the
17 enrollee's designated representative, and the enrollee's provider, of
18 its decision to deny, modify, reduce, or terminate payment, coverage,
19 authorization, or provision of health care services or benefits,
20 including the admission to or continued stay in a health care facility.

21 (4) Each carrier must process as an appeal an enrollee's written or
22 oral request that the carrier reconsider: (a) Its resolution of a
23 complaint made by an enrollee; or (b) its decision to deny, modify,
24 reduce, or terminate payment, coverage, authorization, or provision of
25 health care services or benefits, including the admission to, or
26 continued stay in, a health care facility. A carrier must not require
27 that an enrollee file a complaint prior to seeking appeal of a decision
28 under (b) of this subsection.

29 (5) To process an appeal, each carrier must:

30 (a) Provide written notice to the enrollee when the appeal is
31 received;

32 (b) Assist the enrollee with the appeal process;

33 (c) Make its decision regarding the appeal within thirty days of
34 the date the appeal is received. An appeal must be expedited if the
35 enrollee's provider or the carrier's medical director reasonably
36 determines, or if other evidence indicates that following the appeal
37 process response timelines could seriously jeopardize the enrollee's
38 life, health, or ability to regain maximum function. The decision

1 regarding an expedited appeal must be made within seventy-two hours of
2 the date the appeal is received;

3 (d) Cooperate with a representative authorized in writing by the
4 enrollee;

5 (e) Consider information submitted by the enrollee;

6 (f) Investigate and resolve the appeal; and

7 (g) Provide written notice of its resolution of the appeal to the
8 enrollee and, with the permission of the enrollee, to the enrollee's
9 providers. The written notice must explain the carrier's decision and
10 the supporting coverage or clinical reasons, including any alternative
11 health service that may be appropriate, and the enrollee's right to
12 request independent review of the carrier's decision under section 11
13 of this act.

14 (6) Written notice required by subsection (3) of this section must
15 explain:

16 (a) The carrier's decision and the supporting coverage or clinical
17 reasons, including any alternative health service that may be
18 appropriate; and

19 (b) The carrier's appeal process, including information, as
20 appropriate, about how to exercise the enrollee's rights to obtain a
21 second opinion, and how to continue receiving services as provided in
22 this section.

23 (7) When an enrollee requests that the carrier reconsider its
24 decision to modify, reduce, or terminate a health service that an
25 enrollee is receiving through the health plan, the carrier must
26 continue to provide that health service until the appeal is resolved.
27 If the resolution of the appeal or any review sought by the enrollee
28 under section 11 of this act affirms the carrier's decision, the
29 enrollee may be responsible for the cost of this continued health
30 service.

31 (8) Each carrier must provide a clear explanation of the grievance
32 process upon request, upon enrollment to new enrollees, and annually to
33 enrollees and subcontractors.

34 (9) Each carrier must ensure that the grievance process is
35 accessible to enrollees who are limited English speakers, who have
36 literacy problems, or who have physical or mental disabilities that
37 impede their ability to file a grievance.

38 (10) Each carrier must: Track each appeal until final resolution;
39 maintain, and make accessible to the commissioner for a period of three

1 years, a log of all appeals; and identify and evaluate trends in
2 appeals.

3 NEW SECTION. **Sec. 11.** INDEPENDENT REVIEW OF HEALTH CARE DISPUTES.

4 (1) There is a need for a process for the fair consideration of
5 disputes relating to decisions by carriers that offer a health plan to
6 deny, modify, reduce, or terminate coverage of or payment for health
7 care services for an enrollee.

8 (2) An enrollee may seek review by a certified independent review
9 organization of a carrier's decision to deny, modify, reduce, or
10 terminate a health care service, after exhausting the carrier's
11 grievance process and receiving a decision that is unfavorable to the
12 enrollee, or after the carrier has exceeded the timelines for
13 grievances provided in section 10 of this act, without good cause and
14 without reaching a decision.

15 (3) The commissioner must establish and use a rotational registry
16 system for the assignment of a certified independent review
17 organization to each dispute. The system should be flexible enough to
18 ensure that an independent review organization has the expertise
19 necessary to review the particular medical condition or service at
20 issue in the dispute.

21 (4) Carriers must provide to the appropriate certified independent
22 review organization, not later than the third business day after the
23 date the carrier receives a request for review, a copy of:

24 (a) Any medical records of the enrollee that are relevant to the
25 review;

26 (b) Any documents used by the carrier in making the determination
27 to be reviewed by the certified independent review organization;

28 (c) Any documentation and written information submitted to the
29 carrier in support of the appeal; and

30 (d) A list of each physician or health care provider who has
31 provided care to the enrollee and who may have medical records relevant
32 to the appeal. Health information or other confidential or proprietary
33 information in the custody of a carrier may be provided to an
34 independent review organization, subject to rules adopted by the
35 commissioner.

36 (5) The medical reviewers from a certified independent review
37 organization will make determinations regarding the medical necessity
38 or appropriateness of, and the application of health plan coverage

1 provisions to, health care services for an enrollee. The medical
2 reviewers' determinations must be based upon their expert medical
3 judgment, after consideration of relevant medical, scientific, and
4 cost-effectiveness evidence, and medical standards of practice in the
5 state of Washington. Except as provided in this subsection, the
6 certified independent review organization must ensure that
7 determinations are consistent with the scope of covered benefits as
8 outlined in the medical coverage agreement. Medical reviewers may
9 override the health plan's medical necessity or appropriateness
10 standards if the standards are determined upon review to be
11 unreasonable or inconsistent with sound, evidence-based medical
12 practice.

13 (6) Carriers must timely implement the certified independent review
14 organization's determination, and must pay the certified independent
15 review organization's charges.

16 (7) When an enrollee requests independent review of a dispute under
17 this section, and the dispute involves a carrier's decision to modify,
18 reduce, or terminate a health service that an enrollee is receiving at
19 the time the request for review is submitted, the carrier must continue
20 to provide the health service if requested by the enrollee until a
21 determination is made under this section. If the determination affirms
22 the carrier's decision, the enrollee may be responsible for the cost of
23 the continued health service.

24 (8) A certified independent review organization may notify the
25 office of the insurance commissioner if, based upon its review of
26 disputes under this section, it finds a pattern of substandard or
27 egregious conduct by a carrier.

28 (9) This section does not apply to enrollees in programs with
29 existing independent review requirements, such as the federal employees
30 health benefits program and the federal medicare plus choice program.

31 (10)(a) The commissioner shall adopt rules to implement this
32 section after considering relevant standards adopted by national
33 managed care accreditation organizations.

34 (b) This section is not intended to supplant any existing authority
35 of the office of the insurance commissioner under this title to oversee
36 and enforce carrier compliance with applicable statutes and rules.

37 NEW SECTION. **Sec. 12.** A new section is added to chapter 43.70 RCW
38 to read as follows:

1 INDEPENDENT REVIEW ORGANIZATIONS. (1) The department shall adopt
2 rules providing a procedure and criteria for certifying one or more
3 organizations to perform independent review of health care disputes
4 described in section 11 of this act.

5 (2) The rules must require that the organization ensure:

6 (a) The confidentiality of medical records transmitted to an
7 independent review organization for use in independent reviews;

8 (b) That each health care provider, physician, or contract
9 specialist making review determinations for an independent review
10 organization is qualified. Physicians, other health care providers,
11 and contract specialists must be appropriately licensed, certified, or
12 registered as required in Washington state or in at least one state
13 with standards substantially comparable to Washington state. Reviewers
14 may be drawn from nationally recognized centers of excellence, academic
15 institutions, and recognized leading practice sites. Expert medical
16 reviewers should have substantial, recent clinical experience dealing
17 with the same or similar health conditions. The organization must have
18 demonstrated expertise and a history of reviewing health care in terms
19 of medical necessity, appropriateness, and the application of other
20 health plan coverage provisions;

21 (c) That any physician, health care provider, or contract
22 specialist making a review determination in a specific review is free
23 of any actual or potential conflict of interest or bias. Neither the
24 expert reviewer, nor the independent review organization, nor any
25 officer, director, or management employee of the independent review
26 organization may have any material professional, familial, or financial
27 affiliation with any of the following: The health carrier;
28 professional associations of carriers and providers; the provider; the
29 provider's medical or practice group; the health facility at which the
30 service would be provided; the developer or manufacturer of a drug or
31 device under review; or the enrollee;

32 (d) The fairness of the procedures used by the independent review
33 organization in making the determinations;

34 (e) That each independent review organization make its
35 determination:

36 (i) Not later than the earlier of:

37 (A) The fifteenth day after the date the independent review
38 organization receives the information necessary to make the
39 determination; or

1 (B) The twentieth day after the date the independent review
2 organization receives the request that the determination be made. In
3 exceptional circumstances, when the independent review organization has
4 not obtained information necessary to make a determination, a
5 determination may be made by the twenty-fifth day after the date the
6 organization received the request for the determination; and

7 (ii) In cases of a condition that could seriously jeopardize the
8 enrollee's health or ability to regain maximum function, not later than
9 the earlier of:

10 (A) Seventy-two hours after the date the independent review
11 organization receives the information necessary to make the
12 determination; or

13 (B) The eighth day after the date the independent review
14 organization receives the request that the determination be made;

15 (f) That timely notice is provided to enrollees of the results of
16 the independent review, including the clinical basis for the
17 determination;

18 (g) That the independent review organization has a quality
19 assurance mechanism in place that ensures the timeliness and quality of
20 review and communication of determinations to enrollees and carriers,
21 and the qualifications, impartiality, and freedom from conflict of
22 interest of the organization, its staff, and expert reviewers; and

23 (h) That the independent review organization meets any other
24 reasonable requirements of the department directly related to the
25 functions the organization is to perform under this section and section
26 11 of this act.

27 (3) To be certified as an independent review organization under
28 this chapter, an organization must submit to the department an
29 application in the form required by the department. The application
30 must include:

31 (a) For an applicant that is publicly held, the name of each
32 stockholder or owner of more than five percent of any stock or options;

33 (b) The name of any holder of bonds or notes of the applicant that
34 exceed one hundred thousand dollars;

35 (c) The name and type of business of each corporation or other
36 organization that the applicant controls or is affiliated with and the
37 nature and extent of the affiliation or control;

38 (d) The name and a biographical sketch of each director, officer,
39 and executive of the applicant and any entity listed under (c) of this

1 subsection and a description of any relationship the named individual
2 has with:

3 (i) A carrier;

4 (ii) A utilization review agent;

5 (iii) A nonprofit or for-profit health corporation;

6 (iv) A health care provider;

7 (v) A drug or device manufacturer; or

8 (vi) A group representing any of the entities described by (d)(i)
9 through (v) of this subsection;

10 (e) The percentage of the applicant's revenues that are anticipated
11 to be derived from reviews conducted under section 11 of this act;

12 (f) A description of the areas of expertise of the health care
13 professionals and contract specialists making review determinations for
14 the applicant; and

15 (g) The procedures to be used by the independent review
16 organization in making review determinations regarding reviews
17 conducted under section 11 of this act.

18 (4) If at any time there is a material change in the information
19 included in the application under subsection (3) of this section, the
20 independent review organization shall submit updated information to the
21 department.

22 (5) An independent review organization may not be a subsidiary of,
23 or in any way owned or controlled by, a carrier or a trade or
24 professional association of health care providers or carriers.

25 (6) An independent review organization, and individuals acting on
26 its behalf, are immune from suit in a civil action when performing
27 functions under this act. However, this immunity does not apply to an
28 act or omission made in bad faith or that involves gross negligence.

29 (7) Independent review organizations must be free from interference
30 by state government in its functioning except as provided in subsection
31 (8) of this section.

32 (8) The rules adopted under this section shall include provisions
33 for terminating the certification of an independent review organization
34 for failure to comply with the requirements for certification. The
35 department may review the operation and performance of an independent
36 review organization in response to complaints or other concerns about
37 compliance.

38 (9) In adopting rules for this section, the department shall take
39 into consideration standards for independent review organizations

1 adopted by national accreditation organizations. The department may
2 accept national accreditation or certification by another state as
3 evidence that an organization satisfies some or all of the requirements
4 for certification by the department as an independent review
5 organization.

6 NEW SECTION. **Sec. 13.** CARRIER MEDICAL DIRECTOR. Any carrier that
7 offers a health plan and any self-insured health plan subject to the
8 jurisdiction of Washington state shall designate a medical director who
9 is licensed under chapter 18.57 or 18.71 RCW. A health plan or self-
10 insured health plan that offers only religious nonmedical treatment or
11 religious nonmedical nursing care shall not be required to have a
12 medical director.

13 **Sec. 14.** RCW 51.04.020 and 1994 c 164 s 24 are each amended to
14 read as follows:

15 The director shall:

16 (1) Establish and adopt rules governing the administration of this
17 title;

18 (2) Ascertain and establish the amounts to be paid into and out of
19 the accident fund;

20 (3) Regulate the proof of accident and extent thereof, the proof of
21 death and the proof of relationship and the extent of dependency;

22 (4) Supervise the medical, surgical, and hospital treatment to the
23 intent that it may be in all cases efficient and up to the recognized
24 standard of modern surgery;

25 (5) Issue proper receipts for moneys received and certificates for
26 benefits accrued or accruing;

27 (6) Investigate the cause of all serious injuries and report to the
28 governor from time to time any violations or laxity in performance of
29 protective statutes or regulations coming under the observation of the
30 department;

31 (7) Compile statistics which will afford reliable information upon
32 which to base operations of all divisions under the department;

33 (8) Make an annual report to the governor of the workings of the
34 department;

35 (9) Be empowered to enter into agreements with the appropriate
36 agencies of other states relating to conflicts of jurisdiction where
37 the contract of employment is in one state and injuries are received in

1 the other state, and insofar as permitted by the Constitution and laws
2 of the United States, to enter into similar agreements with the
3 provinces of Canada; and

4 (10) Designate a medical director who is licensed under chapter
5 18.57 or 18.71 RCW.

6 **Sec. 15.** RCW 74.09.050 and 1979 c 141 s 335 are each amended to
7 read as follows:

8 The secretary shall appoint such professional personnel and other
9 assistants and employees, including professional medical screeners, as
10 may be reasonably necessary to carry out the provisions of this
11 chapter. The medical screeners shall be supervised by one or more
12 physicians who shall be appointed by the secretary or his or her
13 designee. The secretary shall appoint a medical director who is
14 licensed under chapter 18.57 or 18.71 RCW.

15 NEW SECTION. **Sec. 16.** A new section is added to chapter 41.05 RCW
16 to read as follows:

17 HEALTH CARE AUTHORITY MEDICAL DIRECTOR. The administrator shall
18 designate a medical director who is licensed under chapter 18.57 or
19 18.71 RCW.

20 NEW SECTION. **Sec. 17.** CARRIER LIABILITY. (1)(a) A health carrier
21 shall adhere to the accepted standard of care for health care providers
22 under chapter 7.70 RCW when arranging for the provision of medically
23 necessary health care services to its enrollees. A health carrier
24 shall be liable for any and all harm proximately caused by its failure
25 to follow that standard of care when the failure resulted in the
26 denial, delay, or modification of the health care service recommended
27 for, or furnished to, an enrollee.

28 (b) A health carrier is also liable for damages under (a) of this
29 subsection for harm to an enrollee proximately caused by health care
30 treatment decisions that result from a failure to follow the accepted
31 standard of care made by its:

32 (i) Employees;

33 (ii) Agents; or

34 (iii) Ostensible agents who are acting on its behalf and over whom
35 it has the right to exercise influence or control or has actually
36 exercised influence or control.

1 (2) The provisions of this section may not be waived, shifted, or
2 modified by contract or agreement and responsibility for the provisions
3 shall be a duty that cannot be delegated. Any effort to waive, modify,
4 delegate, or shift liability for a breach of the duty established by
5 this section, through a contract for indemnification or otherwise, is
6 invalid.

7 (3) This section does not create any new cause of action, or
8 eliminate any presently existing cause of action, with respect to
9 health care providers and health care facilities that are included in
10 and subject to the provisions of chapter 7.70 RCW.

11 (4) It is a defense to any action or liability asserted under this
12 section against a health carrier that:

13 (a) The health care service in question is not a benefit provided
14 under the plan or the service is subject to limitations under the plan
15 that have been exhausted;

16 (b) Neither the health carrier, nor any employee, agent, or
17 ostensible agent for whose conduct the health carrier is liable under
18 subsection (1)(b) of this section, controlled, influenced, or
19 participated in the health care decision; or

20 (c) The health carrier did not deny or unreasonably delay payment
21 for treatment prescribed or recommended by a participating health care
22 provider for the enrollee.

23 (5) This section does not create any liability on the part of an
24 employer, an employer group purchasing organization that purchases
25 coverage or assumes risk on behalf of its employers, or a governmental
26 agency that purchases coverage on behalf of individuals and families.
27 The governmental entity established to offer and provide health
28 insurance to public employees, public retirees, and their covered
29 dependents under RCW 41.05.140 is subject to liability under this
30 section.

31 (6) Nothing in any law of this state prohibiting a health carrier
32 from practicing medicine or being licensed to practice medicine may be
33 asserted as a defense by the health carrier in an action brought
34 against it under this section.

35 (7)(a) A person may not maintain a cause of action under this
36 section against a health carrier unless:

37 (i) The affected enrollee has suffered substantial harm. As used
38 in this subsection, "substantial harm" means loss of life, loss or

1 significant impairment of limb or bodily function, significant
2 disfigurement, or severe or chronic physical pain; and

3 (ii) The affected enrollee or the enrollee's representative has
4 exercised the opportunity established in section 11 of this act to seek
5 independent review of the health care treatment decision.

6 (b) This subsection (7) does not prohibit an enrollee from pursuing
7 other appropriate remedies, including injunctive relief, a declaratory
8 judgment, or other relief available under law, if its requirements
9 place the enrollee's health in serious jeopardy.

10 (8) In an action against a health carrier, a finding that a health
11 care provider is an employee, agent, or ostensible agent of such a
12 health carrier shall not be based solely on proof that the person's
13 name appears in a listing of approved physicians or health care
14 providers made available to enrollees under a health plan.

15 (9) Any action under this section shall be commenced within three
16 years of the completion of the independent review process.

17 (10) This section does not apply to workers' compensation insurance
18 under Title 51 RCW.

19 NEW SECTION. **Sec. 18.** DELEGATION OF DUTIES. Each carrier is
20 accountable for and must oversee any activities required by this act
21 that it delegates to any subcontractor. No contract with a
22 subcontractor executed by the health carrier or the subcontractor may
23 relieve the health carrier of its obligations to any enrollee for the
24 provision of health care services or of its responsibility for
25 compliance with statutes or rules.

26 NEW SECTION. **Sec. 19.** APPLICATION. This act applies to: Health
27 plans as defined in RCW 48.43.005 offered, renewed, or issued by a
28 carrier; medical assistance provided under RCW 74.09.522; the basic
29 health plan offered under chapter 70.47 RCW; and health benefits
30 provided under chapter 41.05 RCW.

31 NEW SECTION. **Sec. 20.** A new section is added to chapter 41.05 RCW
32 to read as follows:

33 Each health plan that provides medical insurance offered under this
34 chapter, including plans created by insuring entities, plans not
35 subject to the provisions of Title 48 RCW, and plans created under RCW

1 41.05.140, are subject to the provisions of sections 1, 2, 5 through
2 12, 17, 18, and RCW 70.02.110 and 70.02.900.

3 **Sec. 21.** RCW 70.47.130 and 1997 c 337 s 8 are each amended to read
4 as follows:

5 (1) The activities and operations of the Washington basic health
6 plan under this chapter, including those of managed health care systems
7 to the extent of their participation in the plan, are exempt from the
8 provisions and requirements of Title 48 RCW except:

9 (a) Benefits as provided in RCW 70.47.070;

10 (b) Managed health care systems are subject to the provisions of
11 sections 1, 2, 5 through 12, 17, 18, and RCW 70.20.110 and 70.02.900;

12 (c) Persons appointed or authorized to solicit applications for
13 enrollment in the basic health plan, including employees of the health
14 care authority, must comply with chapter 48.17 RCW. For purposes of
15 this subsection (1)((~~b~~)) (c), "solicit" does not include distributing
16 information and applications for the basic health plan and responding
17 to questions; and

18 ((~~e~~)) (d) Amounts paid to a managed health care system by the
19 basic health plan for participating in the basic health plan and
20 providing health care services for nonsubsidized enrollees in the basic
21 health plan must comply with RCW 48.14.0201.

22 (2) The purpose of the 1994 amendatory language to this section in
23 chapter 309, Laws of 1994 is to clarify the intent of the legislature
24 that premiums paid on behalf of nonsubsidized enrollees in the basic
25 health plan are subject to the premium and prepayment tax. The
26 legislature does not consider this clarifying language to either raise
27 existing taxes nor to impose a tax that did not exist previously.

28 NEW SECTION. **Sec. 22.** This act may be known and cited as the
29 health care patient bill of rights.

30 NEW SECTION. **Sec. 23.** If specific funding for the purposes of
31 this act, referencing this act by bill or chapter number, is not
32 provided by June 30, 2000, in the omnibus appropriations act, this act
33 is null and void.

34 NEW SECTION. **Sec. 24.** Captions used in this act are not any part
35 of the law.

1 NEW SECTION. **Sec. 25.** Sections 1, 5 through 11, 13, 17, and 18 of
2 this act are each added to chapter 48.43 RCW.

3 NEW SECTION. **Sec. 26.** To the extent permitted by law, if any
4 provision of this act conflicts with state or federal law, such
5 provision must be construed in a manner most favorable to the enrollee.

6 NEW SECTION. **Sec. 27.** If any provision of this act or its
7 application to any person or circumstance is held invalid, the
8 remainder of the act or the application of the provision to other
9 persons or circumstances is not affected.

10 NEW SECTION. **Sec. 28.** EFFECTIVE DATE. (1) Except as provided in
11 subsection (2) of this section, this act applies to contracts entered
12 into or renewing after June 30, 2001.

13 (2) Sections 13, 14, 15, and 16 of this act take effect January 1,
14 2001.

15 NEW SECTION. **Sec. 29.** The following acts or parts of acts are
16 each repealed:

17 (1) RCW 48.43.075 (Informing patients about their care--Health
18 carriers may not preclude or discourage) and 1996 c 312 s 2; and

19 (2) RCW 48.43.095 (Information provided to an enrollee or a
20 prospective enrollee) and 1996 c 312 s 4.
