5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** FINDINGS AND INTENT. The legislature finds
7 that the public demands that long-term care services be client and
8 family-centered, easy to access, safe, and economically effective and
9 efficient. To accomplish this, the legislature recognizes the
10 immediate need to administer and provide long-term care services within
11 the department of social and health services for persons with chronic
12 functional disabilities through a separate, integrated, and
13 comprehensive long-term care administration.

14 NEW SECTION. **Sec. 2.** DEFINITIONS. Unless the context clearly
15 requires otherwise, the definitions in this section apply throughout
16 sections 1 through 5 of this act.

1 (1) "Administration" means the long-term care and rehabilitation
2 services administration in the department of social and health
3 services.

4 (2) "Functionally disabled person" is synonymous with chronic
5 functionally disabled and means a person who, because of a recognized
6 chronic physical condition or disease or acute or chronic mental
7 condition or disease, is impaired to the extent of being dependent upon
8 others for direct care, support, supervision, or monitoring to perform
9 activities of daily living. "Activities of daily living," in this
10 context, means self-care abilities related to personal care such as
11 bathing, eating, using the toilet, dressing, and transfer.
12 Instrumental activities of daily living may also be used to assess a
13 person's functional abilities as they are related to the mental
14 capacity to perform activities in the home and the community such as
15 cooking, shopping, house cleaning, doing laundry, working, and managing
16 personal finances.

17 NEW SECTION. **Sec. 3.** (1) No additional state employees may be
18 hired as a result of establishing the administration.

19 (2) Any funds saved because of the elimination of management level
20 positions within the new administration must be redirected to direct
21 long-term care services, quality assurance, and complaint
22 investigations provided by the department.

23 NEW SECTION. **Sec. 4.** OUTCOME MEASURES--DEVELOPMENT BENCHMARKS.
24 The secretary shall develop outcome measures for use in evaluating the

6 of this act;

14 administration can improve effectiveness, safety, and accessibility of
15 services.
