16 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

17 NEW SECTION. **Sec. 1.** (1) It is declared to be the public policy
18 of the state of Washington to promote and facilitate the orderly
19 development and economic stability of its communities. The provision

1 of adequate government services and the creation or retention of
2 employment opportunities for all citizens depends upon the economic
3 growth and strength of the tax base.

4 (2) In many areas of the state the lack of necessary
5 infrastructure, deteriorated buildings, and vacant brownfield infill
6 sites act as an impediment to economic growth.

7 (3) The construction of necessary public improvements in accordance
8 with local economic development plans will encourage investment in job-
9 producing private development and will expand the public tax base.

10 NEW SECTION. **Sec. 2.** It is the purpose of this chapter to provide
11 financial resources for a limited time to assist local governments in
12 the financing of public improvements which are needed to encourage
13 private development of selected areas; to prevent or arrest the decay
14 of selected areas due to the inability of existing financial methods to
15 provide needed public improvements; and to encourage private investment
16 designed to promote and facilitate the orderly redevelopment of
17 selected areas. It is the further purpose of this chapter to
18 strengthen existing law to remedy problems arising from substandard and
19 deteriorating buildings.

14 NEW SECTION. **Sec. 4.** The use of tax revenues to finance community
15 revitalization projects is subject to the following limitations:

16 (1) Regardless of the total number of community revitalization
17 projects approved by a local government, the aggregate total of revenue
18 available from the state for apportionment as the state's contribution
19 to an individual local government must not exceed five million dollars
20 annually. All revenue in excess of five million dollars in any given
21 year must be distributed to the appropriate taxing district as though
22 an apportionment district had not been created;

23 (2) Regardless of the number of community revitalization projects
24 approved by local governments, the aggregate total of revenue available
25 from the state for apportionment as the state's contribution is
26 annually limited to two-tenths of one percent of the state general fund
27 annual budget;

28 (3) An apportionment district may not be established that includes
29 a geographic area included within a previously established
30 apportionment district that has outstanding bonds payable in whole or
31 in part from tax revenues under this chapter, or section 13 of this
32 act, or chapter 39.-- RCW (sections 14 through 23 of this act); and

33 (4) Only one of the following taxes may be appropriated under this
34 chapter:

36 13 of this act; or

37 (b) The incremental increase in excise taxes in an apportionment
38 district approved under this chapter; or

1 (c) The incremental increase in property taxes in an apportionment
2 district approved under chapter 39.-- RCW (sections 14 through 23 of
3 this act).

4 NEW SECTION. **Sec. 5.** (1)(a) A community revitalization project
5 may be undertaken and coordinated with other programs or efforts
6 undertaken by the sponsor or others and may be funded in whole or in
7 part from sources other than those provided by this chapter.

8 (b) The sponsor shall assume all risk if sources authorized by this
9 chapter are not adequate to fund the community revitalization project.

10 (2) A sponsor may contract with a nonprofit business association
11 operating within the boundaries of the apportionment district or a
12 parking and business improvement area, created under chapter 35.87A
13 RCW, to administer the community revitalization project. The
14 administration of the community revitalization project must comply with
15 all applicable provisions of federal, state, or local law.

16 NEW SECTION. **Sec. 6.** In order to establish an apportionment
17 district and secure an allocation of excise taxes to finance a
18 community revitalization project:

19 (1) A sponsor shall propose by ordinance a plan for the community
20 revitalization project that includes a description of the contemplated
21 community revitalization project, the estimated cost of the community
22 revitalization project, the boundaries of the apportionment district,
23 the estimated period during which tax revenue apportionment is
24 contemplated, and ways in which the sponsor plans to use tax allocation
25 revenues to finance the community revitalization project.

26 (2)(a) At least sixty days in advance of a public hearing at which
27 the ordinance creating the apportionment district is first considered,
28 the local government shall deliver notice of the hearing and the
29 information required in subsection (1) of this section to the
30 department of community, trade, and economic development and the
31 department of revenue. The department of revenue shall review the
32 information and determine whether there is sufficient revenue under the
33 revenue apportionment cap in section 4 of this act to accommodate the
34 proposed community revitalization project.

35 (b) No tax revenue generated from an apportionment district created
36 under this chapter, section 13 of this act, or chapter 39.-- RCW
37 (sections 14 through 23 of this act) may be used to finance a community

1 revitalization project until the department of community, trade, and
2 economic development, or a successor department, has reviewed and
3 approved a feasibility study paid for and submitted to the department
4 by the sponsor. The department's review process shall include the
5 following criteria:

6 (i) The community revitalization project meets the requirements of
7 this chapter or chapter 39.-- RCW (sections 14 through 23 of this act);
8 and

9 (ii) The feasibility study demonstrates that:

10 (A) There is a reasonable likelihood that the present value return
11 to the various taxing districts is in excess of forgone tax revenue as
12 a result of the community revitalization project, using a discounted
13 rate equal to the then current state borrowing rate;

14 (B) The community revitalization project is not feasible without
15 the tax revenue generated from the apportionment district;

16 (C) The expected tax revenue generated from the apportionment
17 district is likely to be sufficient to finance that portion of the
18 public sources necessary to finance the community revitalization
19 project;

20 (D) The community revitalization project will reasonably be
21 expected to cause private investment within the apportionment district
22 that probably would not have occurred without financing of the
23 community revitalization project;

24 (E) The community revitalization project will result in a net
25 increase in employment within the apportionment district; and

26 (F) There is sufficient management capacity and expertise of the
27 organization responsible for the management of the community
28 revitalization project; and

29 (iii) Other factors the department deems necessary to safeguard the
30 state's contribution of tax revenue into the community revitalization
31 project.

32 (3) The department of revenue and the department of community,
33 trade, and economic development shall notify the sponsoring local
34 government, and either the county legislative authority or, in a
35 charter county, the county executive, of the results of the evaluation
36 of the project at least fifteen days in advance of the public hearing
37 required in subsection (1) of this section.

38 (4) If there are more projects proposed than apportioned revenue is
39 available in a given year under the limit in section 4 of this act, the

1 department of community, trade, and economic development shall
2 establish rules to determine how the available revenue will be
3 allocated among qualified projects.

4 (5) At the time and place fixed for the hearing under subsection
5 (2) of this section, and at such times the hearing may be adjourned, a
6 sponsor shall receive and consider all statements and materials as
7 might be submitted, and objections and letters filed before and within
8 ten days after the hearing. Any time during the process leading to the
9 establishment of the apportionment district, the county legislative
10 authority may notify the sponsor that it does not wish to participate
11 in the district, and upon such notification all taxes due the county
12 from the apportionment district shall remain the county's and may not
13 be used for the community revitalization project without separate
14 county approval.

15 (6) Within one hundred twenty days after completion of the public
16 hearing, a sponsor shall pass an ordinance establishing the
17 apportionment district and authorizing the proposed community
18 revitalization project, including any modifications that in the
19 sponsor's opinion the hearing indicated should be made, that includes
20 the boundaries of the apportionment district, a description of the
21 community revitalization project, the estimated cost of the community
22 revitalization project, the method used to finance the state's portion
23 of the community revitalization project under section 4 of this act,
24 the portion of the estimated cost of the community revitalization
25 project to be paid from tax allocation revenues, the estimated time
26 during which the taxes are to be apportioned, the date when the
27 apportionment of taxes is to commence, and a finding that the community
28 revitalization project meets the conditions in section 4 of this act
29 and this section.

30 NEW SECTION. **Sec. 7.** (1) Except as provided in subsection (5) of
31 this section, upon the date established in the community revitalization
32 project ordinance, but not sooner than the first day of the calendar
33 year following the passage of the ordinance, the department shall
34 allocate and pay to the sponsor, or the sponsor's designated agent,
35 until all community revitalization project costs to be paid from the
36 tax allocation revenues have been paid, the following amounts:

37 (a) That portion of the tax levied in each year under chapter 82.08
38 or 82.12 RCW upon any retail sale or any use of an article of tangible

1 personal property within an apportionment district that is in excess of
2 the tax imposed under chapter 82.08 or 82.12 RCW on sales or uses
3 within the apportionment district in the year preceding the formation
4 of the apportionment district;

5 (b) That portion of the tax levied in each year under RCW 82.14.030
6 upon any retail sale or any use of an article of tangible personal
7 property within an apportionment district that is in excess of the tax
8 imposed under RCW 82.14.030 on sales or uses within the apportionment
9 district in the year preceding the formation of the apportionment
10 district, less any amounts that the department is entitled to retain as
11 provided in RCW 82.14.050 for administration and collection expenses
12 incurred by the department.

13 (2) The date upon which the apportionment district was established
14 is considered the date that the community revitalization project
15 ordinance was enacted by the sponsor.

16 (3) The apportionment of taxes under this section must cease when
17 the tax allocation revenues are no longer necessary or obligated to pay
18 community revitalization project costs or to pay principal and interest
19 on bonds issued to finance community revitalization project costs to
20 which tax allocation revenues are pledged. At the time of termination
21 of the apportionment, any excess money and any earnings held by the
22 sponsor must be distributed to the taxing districts that were subject
23 to the allocation in proportion to their tax receipts due for the year
24 in which the funds are returned.

25 (4) The amount of taxes determined to be collected in the year
26 preceding the formation of the apportionment district shall be adjusted
27 upward or downward to reflect increases or decreases in the rate of
28 taxation to determine the amount of excess taxes to be apportioned in
29 accordance with subsection (1)(b) of this section.

30 (5) The sponsor may agree to receive less than the full amount
31 provided in subsection (1) of this section, in which case the
32 department shall distribute the balance to the respective taxing
33 districts in accordance with law in the same manner as if this section
34 did not exist.

35 NEW SECTION. **Sec. 8.** (1) Tax allocation revenues may be applied
36 as follows:

37 (a) To pay community revitalization costs;

1 (b) To pay into bond redemption funds established to pay the
2 principal and interest on general obligation bonds issued to finance a
3 community revitalization project that is specified in the community
4 revitalization project ordinance and constructed following the
5 establishment of the apportionment district; or

6 (c) To pay any combination of (a) and (b) of this subsection.

7 (2) Tax allocation revenues may be pledged to the payment of bonds
8 issued to finance a community revitalization project.

9 (3) No city may lower their tax rates after the creation of an
10 apportionment district and using tax allocation revenues to finance a
11 community revitalization project.

12 NEW SECTION. **Sec. 9.** The department of community, trade, and
13 economic development, in consultation with the department of revenue,
14 shall submit an annual report to appropriate legislative committees on
15 the amount of tax revenue allocated to local governments under the
16 community revitalization financing program created in this act. The
17 report shall also contain information on: (1) The number, description,
18 and location of requests for community revitalization projects, (2) the
19 number of community revitalization projects approved by the department,
20 and (3) an evaluation of how the community revitalization project is
21 meeting criteria of the feasibility study required in section 6 of this
22 act.

23 NEW SECTION. **Sec. 10.** This chapter supplements and neither
24 restricts nor limits any powers that the state or any municipal
25 corporation might otherwise have under laws of this state.

27 district under this chapter expires July 1, 2007.

5 and shall be collected from those persons who are taxable by the state
6 under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable

31 RCW. The department of revenue shall perform the collection of the
32 taxes on behalf of the county at no cost to the county.

1 borne by tax increment financing, describe any other sources of revenue
2 to finance the public improvements, describe the boundaries of the
3 proposed tax increment area, and estimate the period during which tax
4 increment financing is contemplated to be used. The public hearing may
5 be held by either the governing body of the local government, or a
6 committee of the governing body that includes at least a majority of
7 the whole governing body; and

8 (3) Adopt an ordinance establishing the tax increment area that
9 describes the public improvements, describes the boundaries of the tax
10 increment area, estimates the cost of the public improvements and the
11 portion of these costs to be financed by tax increment financing,
12 estimates the time during which regular property taxes are to be
13 apportioned, provides the date when the apportionment of the regular
14 property taxes will commence, and finds that the conditions of section
15 15 of this act are met.

16 NEW SECTION. **Sec. 18.** Within fifteen days after a local
17 government adopts an ordinance creating the tax increment area and
18 authorizing tax increment financing, the local government shall:

19 (1) Publish notice in a legal newspaper circulated within the tax
20 increment area that describes the public improvement, describes the
21 boundaries of the tax increment area, and identifies the location and
22 times where the ordinance and other public information concerning the
23 public improvement may be inspected; and

24 (2) Deliver a certified copy of the ordinance to the county
25 treasurer, the county assessor, and the governing body of each taxing
26 district within which the tax increment area is located.

27 NEW SECTION. **Sec. 19.** (1) Commencing on the later of either the
28 date established in the ordinance creating the tax increment area, or
29 the first day of the calendar year following the passage of the
30 ordinance, the county treasurer shall distribute receipts from regular
31 taxes imposed on real property located in the tax increment area as
32 follows:

33 (a) Each taxing district shall receive that portion of its regular
34 property taxes produced by the rate of tax levied by or for the taxing
35 district on the tax allocation base value for that tax increment
36 financing project in the taxing district, or upon the total assessed

1 value of real property in the taxing district, whichever is smaller;
2 and

3 (b) The local government that created the tax increment area shall
4 receive an additional portion of the regular property taxes levied by
5 or for each taxing district upon the tax increment value within the tax
6 increment area. However, the local government that created the tax
7 increment area may agree to receive less than the full amount of this
8 portion as long as bond debt service, reserve, and other bond covenant
9 requirements are satisfied, in which case the balance of these tax
10 receipts shall be allocated to the taxing districts that imposed
11 regular property taxes, or have regular property taxes imposed for
12 them, in the tax increment area for collection that year in proportion
13 to their regular tax levy rates for collection that year. The local
14 government may request that the treasurer transfer this additional
15 portion of the property taxes to its designated agent. The portion of
16 the tax receipts distributed to the local government or its agent under
17 this subsection (1)(b) may only be expended to finance public
18 improvement costs associated with the public improvements financed in
19 whole or in part by tax increment financing.

20 (2) The county assessor shall allocate fifty percent of any
21 increased real property value occurring in the tax increment area to
22 the tax allocation base value and the other fifty percent to the tax
23 increment value. This section does not authorize revaluations of real
24 property by the assessor for property taxation that are not made in
25 accordance with the assessor's revaluation plan under chapter 84.41 RCW
26 or under other authorized revaluation procedures.

27 (3) The apportionment of increases in assessed valuation in a tax
28 increment area, and the associated distribution to the local government
29 of receipts from regular property taxes that are imposed on the tax
30 increment value, must cease when tax allocation revenues are no longer
31 necessary or obligated to pay the costs of the public improvements.
32 Any excess tax allocation revenues and earnings on the tax allocation
33 revenues remaining at the time the apportionment of tax receipts
34 terminates must be returned to the county treasurer and distributed to
35 the taxing districts that imposed regular property taxes, or had
36 regular property taxes imposed for it, in the tax increment area for
37 collection that year, in proportion to the rates of their regular
38 property tax levies for collection that year.

1 NEW SECTION. **Sec. 20.** (1) A local government designating a tax
2 increment area and authorizing the use of tax increment financing may
3 incur general indebtedness, and issue general obligation bonds, to
4 finance the public improvements and retire the indebtedness in whole or
5 in part from tax allocation revenues it receives, subject to the
6 following requirements:

7 (a) The ordinance adopted by the local government creating the tax
8 increment area and authorizing the use of tax increment financing
9 indicates an intent to incur this indebtedness and the maximum amount
10 of this indebtedness that is contemplated; and

11 (b) The local government includes this statement of the intent in
12 all notices required by section 17 of this act.

13 (2) The general indebtedness incurred under subsection (1) of this
14 section may be payable from other tax revenues, the full faith and
15 credit of the local government, and nontax income, revenues, fees, and
16 rents from the public improvements, as well as contributions, grants,
17 and nontax money available to the local government for payment of costs
18 of the public improvements or associated debt service on the general
19 indebtedness.

20 (3) The ordinance creating the tax increment area and authorizing
21 the use of tax increment financing is subject to potential referendum
22 action by the voters of the local government if the ordinance
23 authorizes the local government to incur non-voter-approved general
24 indebtedness payable from tax increment receipts. If the voters of the
25 local government otherwise possess the general power of referendum on
26 local government matters, the ordinance is subject to that procedure.
27 If the voters of the local government do not otherwise possess the
28 general power of referendum on local government matters, the referendum
29 shall conform to the requirements and procedures for referendum
30 petitions provided for code cities in RCW 35A.11.100.

32 improvement, public improvement ordinance, or tax increment area

6 diverted from the road district levy under chapter 39.-- RCW (sections
7 14 through 23 of this act). The board shall authorize rural arterial
8 trust account funds for the construction project portion of a project
9 previously authorized for a preliminary proposal in the sequence in

12 reserve rural arterial trust account funds for expenditure in future
13 years as may be necessary for completion of preliminary proposals and
14 construction projects to be commenced in the ensuing biennium.

15 The board may, within the constraints of available rural arterial
16 trust funds, consider additional projects for authorization upon a
17 clear and conclusive showing by the submitting county that the proposed
18 project is of an emergent nature and that its need was unable to be

28 making the levy for general purposes make a uniform tax levy throughout
29 the county, or any road district thereof, of not to exceed two dollars
30 and twenty-five cents per thousand dollars of assessed value of the
31 last assessed valuation of the taxable property in the county, or road
32 district thereof, unless other law of the state requires a lower
33 maximum levy, in which event such lower maximum levy shall control.
34 All funds accruing from such levy shall be credited to and deposited in
35 the county road fund except that revenue diverted under RCW 36.33.220
36 shall be placed in a separate and identifiable account within the
37 county current expense fund and except that revenue diverted under

18 mile rate for each roadway category. The total annual cost for each
19 county will be based on the established state-wide cost per mile and
20 associated mileage for each category. The mileage to be used for these
21 computations shall be as shown in the county road log as maintained by
22 the county road administration board as of July 1, 1985, and each two
23 years thereafter. Each county shall be responsible for submitting
24 changes, corrections, and deletions as regards the county road log to
25 the county road administration board. Such changes, corrections, and
26 deletions shall be subject to verification and approval by the county

28 (3) The money need factor for each county shall be the county's
29 total annual road cost less the following four amounts:

30 (a) One-half the sum of the actual county road tax levied upon the
31 valuation of all taxable property within the county road districts

8 vehicle and special fuel taxes refunded to the county, pursuant to RCW
9 46.68.080 during the two calendar years next preceding the year of
10 computation of the allocation amounts as certified by the state
11 treasurer.

12 (4) The state treasurer and the department of revenue shall furnish
13 to the county road administration board the information required by
14 subsection (3) of this section on or before July 1st of each odd-
15 numbered year.

16 (5) The county road administration board, shall compute and provide
17 to the counties the allocation factors of the several counties on or

18 **Sec. 49.** RCW 35.80.030 and 1989 c 133 s 3 are each amended to read
19 as follows:

20 (1) Whenever the local governing body of a municipality finds that
21 one or more conditions of the character described in RCW 35.80.010
22 exist within its territorial limits, said governing body may adopt
23 ordinances relating to such dwellings, buildings, structures, or
24 premises. Such ordinances may provide for the following:

25 (a) That an "improvement board" or officer be designated or
26 appointed to exercise the powers assigned to such board or officer by
27 the ordinance as specified herein. Said board or officer may be an
28 existing municipal board or officer in the municipality, or may be a
29 separate board or officer appointed solely for the purpose of
30 exercising the powers assigned by said ordinance.

31 If a board is created, the ordinance shall specify the terms,
32 method of appointment, and type of membership of said board, which may
33 be limited, if the local governing body chooses, to public officers as
34 herein defined.

35 (b) If a board is created, a public officer, other than a member of
36 the improvement board, may be designated to work with the board and
37 carry out the duties and exercise the powers assigned to said public
38 officer by the ordinance.

1 (c) That if, after a preliminary investigation of any dwelling,
2 building, structure, or premises, the board or officer finds that it is
3 unfit for human habitation or other use, he shall cause to be served
4 either personally or by certified mail, with return receipt requested,
5 upon all persons having any interest therein, as shown upon the records
6 of the auditor's office of the county in which such property is
7 located, and shall post in a conspicuous place on such property, a
8 complaint stating in what respects such dwelling, building, structure,
9 or premises is unfit for human habitation or other use. If the
10 whereabouts of any of such persons is unknown and the same cannot be
11 ascertained by the board or officer in the exercise of reasonable
12 diligence, and the board or officer makes an affidavit to that effect,
13 then the serving of such complaint or order upon such persons may be
14 made either by personal service or by mailing a copy of the complaint
15 and order by certified mail, postage prepaid, return receipt requested,
16 to each such person at the address of the building involved in the
17 proceedings, and mailing a copy of the complaint and order by first
18 class mail to any address of each such person in the records of the
19 county assessor or the county auditor for the county where the property
20 is located. Such complaint shall contain a notice that a hearing will
21 be held before the board or officer, at a place therein fixed, not less
22 than ten days nor more than thirty days after the serving of said
23 complaint; and that all parties in interest shall be given the right to
24 file an answer to the complaint, to appear in person, or otherwise, and
25 to give testimony at the time and place in the complaint. The rules of
26 evidence prevailing in courts of law or equity shall not be controlling
27 in hearings before the board or officer. A copy of such complaint
28 shall also be filed with the auditor of the county in which the
29 dwelling, building, structure, or (~~premise~~ {~~premises~~}) premises is
30 located, and such filing of the complaint or order shall have the same
31 force and effect as other lis pendens notices provided by law.

32 (d) That the board or officer may determine that a dwelling,
33 building, structure, or premises is unfit for human habitation or other
34 use if it finds that conditions exist in such dwelling, building,
35 structure, or premises which are dangerous or injurious to the health
36 or safety of the occupants of such dwelling, building, structure, or
37 premises, the occupants of neighboring dwellings, or other residents of
38 such municipality. Such conditions may include the following, without
39 limitations: Defects therein increasing the hazards of fire or

1 accident; inadequate ventilation, light, or sanitary facilities,
2 dilapidation, disrepair, structural defects, uncleanliness,
3 overcrowding, or inadequate drainage. The ordinance shall state
4 reasonable and minimum standards covering such conditions, including
5 those contained in ordinances adopted in accordance with
6 ~~((subdivision))~~ subsection (7)(a) ~~((herein))~~ of this section, to guide
7 the board or the public officer and the agents and employees of either,
8 in determining the fitness of a dwelling for human habitation, or
9 building, structure, or premises for other use.

10 (e) That the determination of whether a dwelling, building,
11 structure, or premises should be repaired or demolished, shall be based
12 on specific stated standards on (i) the degree of structural
13 deterioration of the dwelling, building, structure, or premises, or
14 (ii) the relationship that the estimated cost of repair bears to the
15 value of the dwelling, building, structure, or premises, with the
16 method of determining this value to be specified in the ordinance.

17 (f) That if, after the required hearing, the board or officer
18 determines that the dwelling is unfit for human habitation, or building
19 or structure or premises is unfit for other use, it shall state in
20 writing its findings of fact in support of such determination, and
21 shall issue and cause to be served upon the owner or party in interest
22 thereof, as is provided in ~~((subdivision—(1)))~~ (c) of this subsection,
23 and shall post in a conspicuous place on said property, an order which
24 (i) requires the owner or party in interest, within the time specified
25 in the order, to repair, alter, or improve such dwelling, building,
26 structure, or premises to render it fit for human habitation, or for
27 other use, or to vacate and close the dwelling, building, structure, or
28 premises, if such course of action is deemed proper on the basis of the
29 standards set forth as required in ~~((subdivision—(1)))~~ (e) of this
30 subsection; or (ii) requires the owner or party in interest, within the
31 time specified in the order, to remove or demolish such dwelling,
32 building, structure, or premises, if this course of action is deemed
33 proper on the basis of said standards. If no appeal is filed, a copy
34 of such order shall be filed with the auditor of the county in which
35 the dwelling, building, structure, or premises is located.

36 (g) The owner or any party in interest, within thirty days from the
37 date of service upon the owner and posting of an order issued by the
38 board under the provisions of ~~((subdivision))~~ (c) of this subsection,
39 may file an appeal with the appeals commission.

1 The local governing body of the municipality shall designate or
2 establish a municipal agency to serve as the appeals commission. The
3 local governing body shall also establish rules of procedure adequate
4 to assure a prompt and thorough review of matters submitted to the
5 appeals commission, and such rules of procedure shall include the
6 following, without being limited thereto: (i) All matters submitted to
7 the appeals commission must be resolved by the commission within sixty
8 days from the date of filing therewith and (ii) a transcript of the
9 findings of fact of the appeals commission shall be made available to
10 the owner or other party in interest upon demand.

11 The findings and orders of the appeals commission shall be reported
12 in the same manner and shall bear the same legal consequences as if
13 issued by the board, and shall be subject to review only in the manner
14 and to the extent provided in (~~subdivision~~) subsection (2) of this
15 section.

16 If the owner or party in interest, following exhaustion of his
17 rights to appeal, fails to comply with the final order to repair,
18 alter, improve, vacate, close, remove, or demolish the dwelling,
19 building, structure, or premises, the board or officer may direct or
20 cause such dwelling, building, structure, or premises to be repaired,
21 altered, improved, vacated, and closed, removed, or demolished.

22 (h) That the amount of the cost of such repairs, alterations or
23 improvements; or vacating and closing; or removal or demolition by the
24 board or officer, shall be assessed against the real property upon
25 which such cost was incurred unless such amount is previously paid.
26 Upon certification to him by the treasurer of the municipality in cases
27 arising out of the city or town or by the county improvement board or
28 officer, in cases arising out of the county, of the assessment amount
29 being due and owing, the county treasurer shall enter the amount of
30 such assessment upon the tax rolls against the property for the current
31 year and the same shall become a part of the general taxes for that
32 year to be collected at the same time and with interest at such rates
33 and in such manner as provided for in RCW 84.56.020, as now or
34 hereafter amended, for delinquent taxes, and when collected to be
35 deposited to the credit of the general fund of the municipality. If
36 the dwelling, building, structure, or premises is removed or demolished
37 by the board or officer, the board or officer shall, if possible, sell
38 the materials of such dwelling, building, structure, (~~or~~) or
39 premises in accordance with procedures set forth in said ordinance, and

1 shall credit the proceeds of such sale against the cost of the removal
2 or demolition and if there be any balance remaining, it shall be paid
3 to the parties entitled thereto, as determined by the board or officer,
4 after deducting the costs incident thereto.

5 The assessment shall constitute a lien against the property which
6 shall be of equal rank with state, county, and municipal taxes and
7 shall have a first priority and shall be paid before the payment of
8 other state, county, and municipal taxes from any tax payments
9 collected or the proceeds of any sale of the property through
10 foreclosure or sale by the county including, but not limited to, the
11 proceeds of sales of any property acquired by the county by tax deed.

12 (2) Any person affected by an order issued by the appeals
13 commission pursuant to ((subdivision)) subsection (1)(f) ((hereof)) of
14 this section may, within thirty days after the posting and service of
15 the order, petition to the superior court for an injunction restraining
16 the public officer or members of the board from carrying out the
17 provisions of the order. In all such proceedings the court is
18 authorized to affirm, reverse, or modify the order and such trial shall
19 be heard de novo.

20 (3) An ordinance adopted by the local governing body of the
21 municipality may authorize the board or officer to exercise such powers
22 as may be necessary or convenient to carry out and effectuate the
23 purposes and provisions of this section. These powers shall include
24 the following in addition to others herein granted: (a)(i) To
25 determine which dwellings within the municipality are unfit for human
26 habitation; (ii) to determine which buildings, structures, or premises
27 are unfit for other use; (b) to administer oaths and affirmations,
28 examine witnesses and receive evidence; and (c) to investigate the
29 dwelling and other property conditions in the municipality or county
30 and to enter upon premises for the purpose of making examinations when
31 the board or officer has reasonable ground for believing they are unfit
32 for human habitation, or for other use: PROVIDED, That such entries
33 shall be made in such manner as to cause the least possible
34 inconvenience to the persons in possession, and to obtain an order for
35 this purpose after submitting evidence in support of an application
36 which is adequate to justify such an order from a court of competent
37 jurisdiction in the event entry is denied or resisted.

1 (4) The local governing body of any municipality adopting an
2 ordinance pursuant to this chapter may appropriate the necessary funds
3 to administer such ordinance.

4 (5) Nothing in this section shall be construed to abrogate or
5 impair the powers of the courts or of any department of any
6 municipality to enforce any provisions of its charter or its ordinances
7 or regulations, nor to prevent or punish violations thereof; and the
8 powers conferred by this section shall be in addition and supplemental
9 to the powers conferred by any other law.

10 (6) Nothing in this section shall be construed to impair or limit
11 in any way the power of the municipality to define and declare
12 nuisances and to cause their removal or abatement, by summary
13 proceedings or otherwise.

14 (7) Any municipality may (by ordinance adopted by its governing
15 body) (a) prescribe minimum standards for the use and occupancy of
16 dwellings throughout the municipality, or county, (b) prescribe minimum
17 standards for the use or occupancy of any building, structure, or
18 premises used for any other purpose, (c) prevent the use or occupancy
19 of any dwelling, building, structure, or premises, which is injurious
20 to the public health, safety, morals, or welfare, and (d) prescribe
21 punishment for the violation of any provision of such ordinance.

22 NEW SECTION. Sec. 50. A new section is added to chapter 35.80 RCW
23 to read as follows:

24 (1) The municipality, as an alternative or additional remedy, may
25 acquire by negotiation the substandard building, structure, or premises
26 and the land on which it is located, and after the acquisition may
27 utilize public or other available funds to improve the property
28 acquired and the property may be used or transferred, as authorized
29 under chapter 35.80A RCW, as if the property were acquired under RCW
30 35.80A.010, if the owner or the owner's representative notifies the
31 municipality in writing that the owner refuses or is unable to proceed
32 or fails to: (a) Repair, alter, or improve a substandard building,
33 structure, or premises; or (b) remove or demolish a substandard
34 building, structure, or premises as required by the order of the board
35 or officer under RCW 35.80.030.

36 (2) If the substandard building to be acquired is part of a
37 community revitalization project, the municipality may acquire property
38 adjacent to the substandard building, as necessary to provide for the

1 implementation of the approved community revitalization project, upon
2 a finding by resolution of the local governing body that the
3 acquisition is necessary in order to cure the problems associated with
4 the substandard building or buildings, and that redevelopment of the
5 site is not feasible unless the adjacent property is acquired. This
6 subsection provides supplemental and alternative authority for
7 acquisition of property by a municipality.

8 (3)(a) If the owner of a substandard building presents evidence
9 satisfactory to the municipality that the owner does not have available
10 sufficient funds or is unable to obtain financing on reasonable terms
11 to repair, alter, or improve a substandard building as required by the
12 order of the board or officer, under RCW 35.80.030, and in a manner
13 that will place the substandard building in a condition that will cure
14 the functional obsolescence of the building for its intended use, then
15 the municipality may, through its local governing body, approve a
16 project agreement with the owner that may provide for:

17 (i) Repair, alterations, and improvement of the substandard
18 building so as to comply with the order of the board or officer, under
19 RCW 35.80.030, and with the terms and conditions of the project
20 agreement;

21 (ii) The manner in which work under the project agreement will be
22 accomplished and how payment will be made, that may include, but is not
23 limited to, work let by the municipality and payment by the
24 municipality for work completed on the substandard building in
25 accordance with the project agreement; and

26 (iii) Repayment by the owner of the costs incurred by the
27 municipality under the project agreement which repayment may be made in
28 installments with interest on the unpaid portion as fixed by the local
29 legislative body or paid in such other manner as may be provided in the
30 project agreement.

31 (b) If not otherwise provided in the project agreement, the amount
32 of costs incurred by the municipality in accordance with the project
33 agreement must be treated as if it were an assessment on an approved
34 final assessment roll for improvements constructed within a local
35 improvement district, under chapter 35.44 RCW, and the costs shall be
36 a lien on the property improved, in the same manner and to the same
37 extent as a local improvement district assessment lien, and shall be
38 collected in the same manner as assessments, installment payments,
39 interest, and penalties are collected under chapter 35.49 RCW.

1 (c) The project agreement may provide that the lien for the
2 repayment of all or a portion of the costs incurred by the municipality
3 under the project agreement may be subordinated to a deed of trust
4 securing the loan of private funds to the owner for payment of project
5 costs incurred by the owner under the project agreement.

6 (4) The municipality or a public corporation created by a
7 municipality under RCW 35.21.660 or 35.21.730 may provide for the
8 payment of the costs and expenses incurred by the municipality under a
9 project agreement by revenue or general obligation bonds or notes
10 payable in whole or in part from the repayment of project costs by
11 owners and through enforcement of the assessments against the property
12 benefited or from any other federal, public, or private funds that may
13 be made available for such purposes.

14 NEW SECTION. **Sec. 51.** Sections 1 through 12 of this act
15 constitute a new chapter in Title 82 RCW.

16 NEW SECTION. **Sec. 52.** Part headings as used in this act do not
17 constitute any part of the law.

18 NEW SECTION. **Sec. 53.** If any provision of this act or its
19 application to any person or circumstance is held invalid, the
20 remainder of the act or the application of the provision to other
21 persons or circumstances is not affected.
