HOUSE CONCURRENT RESOLUTION 4402

---

State of Washington                      56th Legislature                      1999 Regular Session

By Representatives Fisher, K. Schmidt, Mitchell, Radcliff, Skinner and Hankins

Read first time 01/13/1999. Referred to Committee on Transportation.

1            WHEREAS, RCW 47.05.021(3) directs the Washington State  
2 Transportation Commission to designate state highways of statewide  
3 significance and submit a list of such facilities for adoption by the  
4 Legislature; and

5            WHEREAS, The Washington State Transportation Commission has  
6 designated a system of State Highways of Statewide Significance by  
7 their Resolution 584, supported by maps and routes lists dated December  
8 17, 1998; and

9            WHEREAS, The Washington State Transportation Commission based their  
10 designation on criteria that are consistent with legislative direction  
11 contained in RCW 47.06.140; and

12            WHEREAS, The Washington State Transportation Commission sought  
13 input and comment through Regional Transportation Planning  
14 Organizations on both the criteria and the draft system of State  
15 Highways of Statewide Significance;

16            NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives of  
17 the state of Washington, the Senate concurring, that the Legislature  
18 adopt the system of State Highways of Statewide Significance as  
19 designated by the Washington State Transportation Commission through  
20 Resolution 584 dated December 17, 1998; and

1           BE IT FURTHER RESOLVED, That the Legislature direct the Washington  
2 State Transportation Commission to conduct a review of the system of  
3 State Highways of Statewide Significance and update the system as  
4 necessary at least every five years. This update process must include  
5 criteria that meet the legislative direction of RCW 47.06.140; must be  
6 carried out in consultation with the Regional Transportation Planning  
7 Organizations; and must provide ample opportunity for comment and due  
8 consideration of comments. As part of this update process, the  
9 Washington State Transportation Commission may adopt route additions  
10 and deletions from this designated system.
