7 The department shall establish a community development finance
8 program. Pursuant to this program, the department shall, in

16 NEW SECTION. **Sec. 2.** A new section is added to chapter 43.330 RCW
17 to read as follows:

1 (1) There is established in the department a grant program to
2 support business recruitment efforts. The purpose of the program is to
3 assist local associate development organizations in business
4 recruitment efforts by providing grants to assist in marketing the area
5 to businesses on a national and international basis.

6 (2) Applications for funding under this section must:

7 (a) Be submitted by either a local associate development
8 organization or a consortium of associate development organizations;

9 (b) Contain evidence of active participation in the development of
10 the business recruitment effort between local governments, the
11 community, and other local development organizations that serve the

13 (c) Contain a description of the proposed project and how it will
14 assist the region in its business recruitment efforts; and

15 (d) Contain other information the director deems necessary.

16 (3) In making grants under this section, the department shall give

19 committed to the project;

20 (b) The degree of community support for the proposed project; and

21 (c) The degree the proposed project is coordinated with existing
22 state or local business recruitment efforts.

23 (4) The funding of an activity under this section is not an
24 obligation of the state of Washington to provide ongoing funding in
25 future years.

26 (5) The director may establish, by rule, such other requirements as
27 the director may reasonably determine necessary and appropriate to
28 assure that the purpose of this section is satisfied.
