28 as follows:

29 The legislature intends that the procedures and services authorized
30 in this chapter be integrated with those in chapter 71.24 RCW to the
31 maximum extent necessary to assure a continuum of care to persons who
32 are mentally ill or who have mental disorders, as defined in either or
33 both this chapter and chapter 71.24 RCW. To this end, regional support
34 networks established in accordance with chapter 71.24 RCW shall
35 institute procedures which require timely consultation with resource
36 management services by county-designated mental health professionals
37 and evaluation and treatment facilities to assure that determinations
38 to admit, detain, commit, treat, discharge, or release persons with

1 mental disorders under this chapter are made only after appropriate
2 information regarding such person's treatment history and current
3 treatment plan has been sought from resource management services.

4 **Sec. 3.** RCW 71.05.050 and 1998 c 297 s 6 are each amended to read
5 as follows:

6 Nothing in this chapter shall be construed to limit the right of
7 any person to apply voluntarily to any public or private agency or
8 practitioner for treatment of a mental disorder, either by direct
9 application or by referral. Any person voluntarily admitted for
10 inpatient treatment to any public or private agency shall be released
11 immediately upon his or her request. Any person voluntarily admitted
12 for inpatient treatment to any public or private agency shall orally be
13 advised of the right to immediate (~~release~~) discharge, and further
14 advised of such rights in writing as are secured to them pursuant to
15 this chapter and their rights of access to attorneys, courts, and other
16 legal redress. Their condition and status shall be reviewed at least
17 once each one hundred eighty days for evaluation as to the need for
18 further treatment (~~and/or~~) or possible (~~release~~) discharge, at
19 which time they shall again be advised of their right to (~~release~~)
20 discharge upon request: PROVIDED HOWEVER, That if the professional
21 staff of any public or private agency or hospital regards a person
22 voluntarily admitted who requests (~~release~~) discharge as presenting,
23 as a result of a mental disorder, an imminent likelihood of serious
24 harm, or is gravely disabled, they may detain such person for
25 sufficient time to notify the county designated mental health
26 professional of such person's condition to enable the county designated
27 mental health professional to authorize such person being further held
28 in custody or transported to an evaluation and treatment center
29 pursuant to the provisions of this chapter, which shall in ordinary
30 circumstances be no later than the next judicial day: PROVIDED
31 FURTHER, That if a person is brought to the emergency room of a public
32 or private agency or hospital for observation or treatment, the person
33 refuses voluntary admission, and the professional staff of the public
34 or private agency or hospital regard such person as presenting as a
35 result of a mental disorder an imminent likelihood of serious harm, or
36 as presenting an imminent danger because of grave disability, they may
37 detain such person for sufficient time to notify the county designated
38 mental health professional of such person's condition to enable the

1 county designated mental health professional to authorize such person
2 being further held in custody or transported to an evaluation treatment
3 center pursuant to the conditions in this chapter, but which time shall
4 be no more than six hours from the time the professional staff
5 determine that an evaluation by the county designated mental health
6 professional is necessary.

7 **Sec. 4.** RCW 71.05.120 and 1991 c 105 s 2 are each amended to read
8 as follows:

9 (1) No officer of a public or private agency, nor the
10 superintendent, professional person in charge, his or her professional
11 designee, or attending staff of any such agency, nor any public
12 official performing functions necessary to the administration of this
13 chapter, nor peace officer responsible for detaining a person pursuant
14 to this chapter, nor any county designated mental health professional,
15 nor the state, a unit of local government, or an evaluation and
16 treatment facility shall be civilly or criminally liable for performing
17 duties pursuant to this chapter with regard to the decision of whether
18 to admit, discharge, release, administer antipsychotic medications, or
19 detain a person for evaluation and treatment: PROVIDED, That such
20 duties were performed in good faith and without gross negligence.

21 (2) This section does not relieve a person from giving the required
22 notices under RCW 71.05.330(2) or 71.05.340(1)(b), or the duty to warn
23 or to take reasonable precautions to provide protection from violent
24 behavior where the patient has communicated an actual threat of
25 physical violence against a reasonably identifiable victim or victims.
26 The duty to warn or to take reasonable precautions to provide
27 protection from violent behavior is discharged if reasonable efforts
28 are made to communicate the threat to the victim or victims and to law
29 enforcement personnel.

30 **Sec. 5.** RCW 71.05.170 and 1998 c 297 s 10 are each amended to read
31 as follows:

32 Whenever the county designated mental health professional petitions
33 for detention of a person whose actions constitute a likelihood of
34 serious harm, or who is gravely disabled, the facility providing
35 seventy-two hour evaluation and treatment must immediately accept on a
36 provisional basis the petition and the person. The facility shall then
37 evaluate the person's condition and admit, detain, transfer, or

1 ((release)) discharge such person in accordance with RCW 71.05.210.
2 The facility shall notify in writing the court and the county
3 designated mental health professional of the date and time of the
4 initial detention of each person involuntarily detained in order that
5 a probable cause hearing shall be held no later than seventy-two hours
6 after detention.

7 The duty of a state hospital to accept persons for evaluation and
8 treatment under this section shall be limited by chapter 71.24 RCW.

9 **Sec. 6.** RCW 71.05.210 and 1998 c 297 s 12 are each amended to read
10 as follows:

11 Each person involuntarily ((admitted to)) detained and accepted or
12 admitted at an evaluation and treatment facility shall, within twenty-
13 four hours of his or her admission or acceptance at the facility, be
14 examined and evaluated by a licensed physician who may be assisted by
15 a physician assistant according to chapter 18.71A RCW or an advanced
16 registered nurse practitioner according to chapter 18.79 RCW and a
17 mental health professional, and shall receive such treatment and care
18 as his or her condition requires including treatment on an outpatient
19 basis for the period that he or she is detained, except that, beginning
20 twenty-four hours prior to a trial or hearing pursuant to RCW
21 71.05.215, 71.05.240, 71.05.310, 71.05.320, 71.05.340, or 71.05.370,
22 the individual may refuse psychiatric medications, but may not refuse:
23 (1) Any other medication previously prescribed by a person licensed
24 under Title 18 RCW; or (2) emergency lifesaving treatment, and the
25 individual shall be informed at an appropriate time of his or her right
26 of such refusal. The person shall be detained up to seventy-two hours,
27 if, in the opinion of the professional person in charge of the
28 facility, or his or her professional designee, the person presents a
29 likelihood of serious harm, or is gravely disabled. A person who has
30 been detained for seventy-two hours shall no later than the end of such
31 period be released, unless referred for further care on a voluntary
32 basis, or detained pursuant to court order for further treatment as
33 provided in this chapter.

34 If, after examination and evaluation, the licensed physician and
35 mental health professional determine that the initial needs of the
36 person would be better served by placement in a chemical dependency
37 treatment facility, then the person shall be referred to an approved
38 treatment program defined under RCW 70.96A.020.

1 An evaluation and treatment center admitting or accepting any
2 person pursuant to this chapter whose physical condition reveals the
3 need for hospitalization shall assure that such person is transferred
4 to an appropriate hospital for evaluation or admission for treatment.
5 Notice of such fact shall be given to the court, the designated
6 attorney, and the county designated mental health professional and the
7 court shall order such continuance in proceedings under this chapter as
8 may be necessary, but in no event may this continuance be more than
9 fourteen days.

10 **Sec. 7.** RCW 71.05.325 and 1994 c 129 s 8 are each amended to read
11 as follows:

12 (1) Before a person committed under grounds set forth in RCW
13 71.05.280(3) is released (~~((from involuntary treatment))~~) because a new
14 petition for involuntary treatment has not been filed under RCW
15 71.05.320(2), the superintendent, professional person, or designated
16 mental health professional responsible for the decision whether to file
17 a new petition shall in writing notify the prosecuting attorney of the
18 county in which the criminal charges against the committed person were
19 dismissed, of the decision not to file a new petition for involuntary
20 treatment. Notice shall be provided at least forty-five days before
21 the period of commitment expires.

22 (2)(a) Before a person committed under grounds set forth in RCW
23 71.05.280(3) is permitted temporarily to leave a treatment facility
24 pursuant to RCW 71.05.270 for any period of time without constant
25 accompaniment by facility staff, the superintendent, professional
26 person in charge of a treatment facility, or his or her professional
27 designee shall in writing notify the prosecuting attorney of any county
28 (~~((to which the person is to be released))~~) of the person's destination
29 and the prosecuting attorney of the county in which the criminal
30 charges against the committed person were dismissed(~~((, of the decision~~
31 ~~conditionally to release the person))~~). The notice shall be provided at
32 least forty-five days before the anticipated (~~((release))~~) leave and
33 shall describe the conditions under which the (~~((release))~~) leave is to
34 occur.

35 (b) The provisions of RCW 71.05.330(2) apply to proposed
36 (~~((temporary releases))~~) leaves, and either or both prosecuting attorneys
37 receiving notice under this subsection may petition the court under RCW
38 71.05.330(2).

1 (3) Nothing in this section shall be construed to authorize
2 detention of a person unless a valid order of commitment is in effect.

3 (4) The existence of the notice requirements in this section will
4 not require any extension of the (~~release~~) leave date in the event
5 the (~~release~~) leave plan changes after notification.

6 (5) The notice requirements contained in this section shall not
7 apply to emergency medical (~~furloughs~~) transfers.

8 (6) The notice provisions of this section are in addition to those
9 provided in RCW 71.05.425.

10 **Sec. 8.** RCW 71.05.340 and 1998 c 297 s 21 are each amended to read
11 as follows:

12 (1)(a) When, in the opinion of the superintendent or the
13 professional person in charge of the hospital or facility providing
14 involuntary treatment, the committed person can be appropriately served
15 by outpatient treatment prior to or at the expiration of the period of
16 commitment, then such outpatient care may be required as a (~~condition~~
17 ~~for early~~) term of conditional release for a period which, when added
18 to the inpatient treatment period, shall not exceed the period of
19 commitment. If the hospital or facility designated to provide
20 outpatient treatment is other than the facility providing involuntary
21 treatment, the outpatient facility so designated must agree in writing
22 to assume such responsibility. A copy of the (~~conditions for early~~)
23 terms of conditional release shall be given to the patient, the county
24 designated mental health professional in the county in which the
25 patient is to receive outpatient treatment, and to the court of
26 original commitment.

27 (b) Before a person committed under grounds set forth in RCW
28 71.05.280(3) or 71.05.320(2)(c) is conditionally released under (a) of
29 this subsection, the superintendent or professional person in charge of
30 the hospital or facility providing involuntary treatment shall in
31 writing notify the prosecuting attorney of the county in which the
32 criminal charges against the committed person were dismissed, of the
33 decision to conditionally release the person. Notice and a copy of the
34 (~~conditions for early~~) terms of conditional release shall be provided
35 at least thirty days before the person is released from inpatient care.
36 Within twenty days after receiving notice, the prosecuting attorney may
37 petition the court in the county that issued the commitment order to
38 hold a hearing to determine whether the person may be conditionally

1 released and the terms of the conditional release. The prosecuting
2 attorney shall provide a copy of the petition to the superintendent or
3 professional person in charge of the hospital or facility providing
4 involuntary treatment, the attorney, if any, and guardian or
5 conservator of the committed person, and the court of original
6 commitment. If the county in which the committed person is to receive
7 outpatient treatment is the same county in which the criminal charges
8 against the committed person were dismissed, then the court shall, upon
9 the motion of the prosecuting attorney, transfer the proceeding to the
10 court in that county. The court shall conduct a hearing on the
11 petition within ten days of the filing of the petition. The committed
12 person shall have the same rights with respect to notice, hearing, and
13 counsel as for an involuntary treatment proceeding, except as set forth
14 in this subsection and except that there shall be no right to jury
15 trial. The issue to be determined at the hearing is whether or not the
16 person may be conditionally released without substantial danger to
17 other persons, or substantial likelihood of committing criminal acts
18 jeopardizing public safety or security. If the court disapproves of
19 the conditional release, it may do so only on the basis of substantial
20 evidence. Pursuant to the determination of the court upon the hearing,
21 the conditional release of the person shall be approved by the court on
22 the same or modified conditions or the person shall be returned for
23 involuntary treatment on an inpatient basis subject to release at the
24 end of the period for which he or she was committed, or otherwise in
25 accordance with the provisions of this chapter.

26 (2) The hospital or facility designated to provide outpatient care
27 or the secretary may modify the conditions for continued release when
28 such modification is in the best interest of the person. Notification
29 of such changes shall be sent to all persons receiving a copy of the
30 original conditions.

31 (3)(a) If the hospital or facility designated to provide outpatient
32 care, the county designated mental health professional, or the
33 secretary determines that:

34 (i) A conditionally released person is failing to adhere to the
35 terms and conditions of his or her release;

36 (ii) Substantial deterioration in a conditionally released person's
37 functioning has occurred;

1 (iii) There is evidence of substantial decompensation with a
2 reasonable probability that the decompensation can be reversed by
3 further inpatient treatment; or

4 (iv) The person poses a likelihood of serious harm.

5 Upon notification by the hospital or facility designated to provide
6 outpatient care, or on his or her own motion, the county designated
7 mental health professional or the secretary may order that the
8 conditionally released person be apprehended and taken into custody and
9 temporarily detained in an evaluation and treatment facility in or near
10 the county in which he or she is receiving outpatient treatment.

11 (b) The hospital or facility designated to provide outpatient
12 treatment shall notify the secretary or county designated mental health
13 professional when a conditionally released person fails to adhere to
14 terms and conditions of his or her conditional release or experiences
15 substantial deterioration in his or her condition and, as a result,
16 presents an increased likelihood of serious harm. The county
17 designated mental health professional or secretary shall order the
18 person apprehended and temporarily detained in an evaluation and
19 treatment facility in or near the county in which he or she is
20 receiving outpatient treatment.

21 (c) A person detained under this subsection (3) shall be held until
22 such time, not exceeding five days, as a hearing can be scheduled to
23 determine whether or not the person should be returned to the hospital
24 or facility from which he or she had been conditionally released. The
25 county designated mental health professional or the secretary may
26 modify or rescind such order at any time prior to commencement of the
27 court hearing.

28 (d) The court that originally ordered commitment shall be notified
29 within two judicial days of a person's detention under the provisions
30 of this section, and the county designated mental health professional
31 or the secretary shall file his or her petition and order of
32 apprehension and detention with the court and serve them upon the
33 person detained. His or her attorney, if any, and his or her guardian
34 or conservator, if any, shall receive a copy of such papers as soon as
35 possible. Such person shall have the same rights with respect to
36 notice, hearing, and counsel as for an involuntary treatment
37 proceeding, except as specifically set forth in this section and except
38 that there shall be no right to jury trial. The issues to be
39 determined shall be: (i) Whether the conditionally released person did

1 or did not adhere to the terms and conditions of his or her conditional

4 and it is found that he or she is not a substantial danger to other
5 persons, and does not present a substantial likelihood of committing
6 criminal acts jeopardizing public safety or security, unless kept under
7 further control by the court or other persons or institutions, the
8 court shall direct the defendant's (~~final discharge~~) release. If it
9 is found that such defendant is a substantial danger to other persons,
10 or presents a substantial likelihood of committing criminal acts
11 jeopardizing public safety or security, unless kept under further
12 control by the court or other persons or institutions, the court shall
13 order his or her hospitalization, or any appropriate alternative
14 treatment less restrictive than detention in a state mental hospital,

16 (2) If the defendant has been found not guilty by reason of
17 insanity and a substantial danger, or presents a substantial likelihood
18 of committing criminal acts jeopardizing public safety or security, so
19 as to require treatment then the secretary shall immediately cause the
20 defendant to be evaluated to ascertain if the defendant is
21 developmentally disabled. When appropriate, and subject to available

23 reserved for the treatment and training of developmentally disabled

26 treat the behavior which was the subject of the criminal proceedings.
27 The treatment program shall be administered by developmental

30 provide physical security to a degree consistent with the finding that
31 the defendant is dangerous and may incorporate varying conditions of
32 security and alternative sites when the dangerousness of any particular
33 defendant makes this necessary. The department may limit admissions to
34 this specialized program in order to ensure that expenditures for
35 services do not exceed amounts appropriated by the legislature and
36 allocated by the department for such services. The department may
37 establish admission priorities in the event that the number of eligible
38 persons exceeds the limits set by the department.

1 (3) If it is found that such defendant is not a substantial danger
2 to other persons, and does not present a substantial likelihood of
3 committing criminal acts jeopardizing public safety or security, but
4 that he or she is in need of control by the court or other persons or
5 institutions, the court shall direct the defendant's conditional
6 release.

14 are other persons who are committed to the secretary's custody, but
15 such provision shall be made for their control, care, and treatment as
16 is proper in view of their condition. In order that the secretary may
17 adequately determine the nature of the mental illness or developmental
18 disability of the person committed to him or her as criminally insane,
19 and in order for the secretary to place such individuals in a proper
20 facility, all persons who are committed to the secretary as criminally
21 insane shall be promptly examined by qualified personnel in such a
22 manner as to provide a proper evaluation and diagnosis of such
23 individual. The examinations of all developmentally disabled persons
24 committed under this chapter shall be performed by developmental
25 disabilities professionals. Any person so committed shall not be
26 ((discharged)) released from the control of the secretary save upon the
27 order of a court of competent jurisdiction made after a hearing and
28 judgment of ((discharge)) release.

29 Whenever there is a hearing which the committed person is entitled
30 to attend, the secretary shall send him or her in the custody of one or
31 more department employees to the county where the hearing is to be held
32 at the time the case is called for trial. During the time the person
33 is absent from the facility, he or she shall be confined in a facility
34 designated by and arranged for by the department, and shall at all
35 times be deemed to be in the custody of the department employee and
36 provided necessary treatment. If the decision of the hearing remits
