3 appropriation.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** Research has shown that interventions
6 designed to deter juvenile violence and delinquency are cost-effective
7 and compare favorably with the cost of detention. The legislature
8 intends to develop a grant program to fund research-based prevention
9 and early intervention programs targeting youth and their families who
10 have not yet entered the juvenile justice system.

11 NEW SECTION. **Sec. 2.** (1) The governor's juvenile justice advisory

1 civic, and charitable organizations, local governments, tribes, and
2 community networks;

4 specifying what percentage of the grant will be spent on administration
5 and evaluation costs; and

6 (d) Include a plan to analyze the effectiveness of the program.

16 (e) Will be used for prevention of juvenile crime and not as a
17 disposition or confinement option for adjudicated or diverted juvenile
18 offenders. This restriction shall not preclude serving juveniles who
19 have been adjudicated or diverted prior to participation in the program
20 or who are diverted or adjudicated during participation in the program;
21 and

22 (f) Is in addition to any other state or locally funded juvenile
23 violence deterrence program and will not supplant existing federal,
24 state, or local funds.

25 (4) To encourage local ownership of youth violence deterrence
26 programs, grants awarded by the committee under this section shall:

27 (a) Have a duration of up to two years, with renewal options based
28 on the achievement of outcomes; and

29 (b) Not exceed more than seventy-five percent of the total
30 estimated cost of a program. Entities or organizations applying for
31 grants under this section must demonstrate that at least twenty-five
32 percent of the cost of the program will be funded from nonstate moneys.

33 (5) To encourage grant applications, the committee shall simplify
34 the grant application process to the greatest extent possible.

35 (6) The committee may require that a percentage of the expenditures
36 for a grant be spent to evaluate the program's effectiveness. The
37 committee may also require that the evaluation be conducted by
38 individuals or organizations that are not participating in the program.

2 recommendations to the governor's juvenile justice advisory committee
3 on the funding of grants under this chapter.

6 geographic and cultural diversity and have demonstrated an interest in
7 juvenile violence and its prevention. The review team shall include
8 representatives from entities that disperse funds targeted at youth,
