SENATE BILL 5725

---

State of Washington                      56th Legislature                      1999 Regular Session

By Senators Heavey, Hochstatter, Gardner, Winsley and McCaslin

Read first time . Referred to Committee on .

1            AN ACT Relating to bids on public works; and amending RCW  
2 39.30.060.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4            **Sec. 1.** RCW 39.30.060 and 1995 c 94 s 1 are each amended to read  
5 as follows:

6            Every invitation to bid on a contract that is expected to cost ((in  
7 ~~excess of~~) one ((~~hundred thousand~~)) million dollars or more for the  
8 construction, alteration, or repair of any public building or public  
9 work of the state or a state agency or municipality as defined under  
10 RCW 39.04.010((~~7~~)) or an institution of higher education as defined  
11 under RCW 28B.10.016((~~7~~ ~~or a school district~~)) shall require each  
12 bidder to submit as part of the bid, or within one hour after the  
13 published bid submittal time, the names of the subcontractors ((~~whose~~  
14 ~~subcontract amount is more than ten percent of the bid price~~)) with  
15 whom the bidder, if awarded the contract, will subcontract for  
16 performance of the work ((~~designated on the list to be submitted with~~  
17 ~~the bid~~)) of heating, ventilation and air conditioning, plumbing as  
18 described in chapter 18.106 RCW, and electrical as described in chapter  
19 19.28 RCW, or to name itself for the work. The bidder shall not list

1 more than one subcontractor for each category of work identified,  
2 unless subcontractors vary with bid alternates, in which case the  
3 bidder must indicate which subcontractor will be used for which  
4 alternate. Failure of the bidder to submit as part of the bid the  
5 names of such subcontractors or to name itself to perform such work or  
6 the naming of two or more subcontractors to perform the same work shall  
7 render the bidder's bid nonresponsive and, therefore, void. The  
8 requirement of this section to name the bidder's proposed heating,  
9 ventilation and air conditioning, plumbing, and electrical  
10 subcontractors applies only to proposed heating, ventilation and air  
11 conditioning, plumbing, and electrical subcontractors who will contract  
12 directly with the general contractor submitting the bid to the public  
13 entity.
