SENATE BILL 6236

---

State of Washington

56th Legislature

2000 Regular Session

By Senator Fairley; by request of Employment Security Department

Read first time 01/11/2000. Referred to Committee on Labor & Workforce Development.

1 AN ACT Relating to the transfer of data for operational,  
2 evaluation, and research purposes; reenacting and amending RCW  
3 50.13.060 and 42.17.310; creating new sections; and prescribing  
4 penalties.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that individuals in  
7 need of employment and related services would be better served by  
8 integrating employment and training services to form a comprehensive  
9 network of state and local programs, called a one-stop career  
10 development system. Successful integration of employment and training  
11 services demands prompt and efficient exchange of information among  
12 service providers. The legislature further finds that efficient  
13 operation of state programs and their evaluation demand at times  
14 information held by the employment security department. Current  
15 restrictions on information exchange hamper this coordination,  
16 resulting in increased administrative costs, reduced levels of service,  
17 and fewer positive outcomes than could otherwise be achieved.

1       **Sec. 2.** RCW 50.13.060 and 1997 c 409 s 605 and 1997 c 58 s 1004  
2 are each reenacted and amended to read as follows:

3       (1) Governmental agencies, including law enforcement agencies,  
4 prosecuting agencies, and the executive branch, whether state, local,  
5 or federal shall have access to information or records deemed private  
6 and confidential under this chapter if the information or records are  
7 needed by the agency for official purposes and:

8       (a) The agency submits an application in writing to the employment  
9 security department for the records or information containing a  
10 statement of the official purposes for which the information or records  
11 are needed and specific identification of the records or information  
12 sought from the department; and

13       (b) The director, commissioner, chief executive, or other official  
14 of the agency has verified the need for the specific information in  
15 writing either on the application or on a separate document; and

16       (c) The agency requesting access has served a copy of the  
17 application for records or information on the individual or employing  
18 unit whose records or information are sought and has provided the  
19 department with proof of service. Service shall be made in a manner  
20 which conforms to the civil rules for superior court. The requesting  
21 agency shall include with the copy of the application a statement to  
22 the effect that the individual or employing unit may contact the public  
23 records officer of the employment security department to state any  
24 objections to the release of the records or information. The  
25 employment security department shall not act upon the application of  
26 the requesting agency until at least five days after service on the  
27 concerned individual or employing unit. The employment security  
28 department shall consider any objections raised by the concerned  
29 individual or employing unit in deciding whether the requesting agency  
30 needs the information or records for official purposes.

31       (2) The requirements of subsections (1) and (9) of this section  
32 shall not apply to the state legislative branch. The state legislature  
33 shall have access to information or records deemed private and  
34 confidential under this chapter, if the legislature or a legislative  
35 committee finds that the information or records are necessary and for  
36 official purposes. If the employment security department does not make  
37 information or records available as provided in this subsection, the  
38 legislature may exercise its authority granted by chapter 44.16 RCW.

1 (3) In cases of emergency the governmental agency requesting access  
2 shall not be required to formally comply with the provisions of  
3 subsection (1) of this section at the time of the request if the  
4 procedures required by subsection (1) of this section are complied with  
5 by the requesting agency following the receipt of any records or  
6 information deemed private and confidential under this chapter. An  
7 emergency is defined as a situation in which irreparable harm or damage  
8 could occur if records or information are not released immediately.

9 (4) The requirements of subsection (1)(c) of this section shall not  
10 apply to governmental agencies where the procedures would frustrate the  
11 investigation of possible violations of criminal laws or to the release  
12 of employing unit names, addresses, number of employees, and aggregate  
13 employer wage data for the purpose of state governmental agencies  
14 preparing small business economic impact statements under chapter 19.85  
15 RCW or preparing cost-benefit analyses under RCW 34.05.328(1)(c).  
16 Information provided by the department and held to be private and  
17 confidential under state or federal laws must not be misused or  
18 released to unauthorized parties. A person who misuses such  
19 information or releases such information to unauthorized parties is  
20 subject to the sanctions in RCW 50.13.080.

21 (5) Governmental agencies shall have access to certain records or  
22 information, limited to such items as names, addresses, social security  
23 numbers, and general information about benefit entitlement or employer  
24 information possessed by the department, for comparison purposes with  
25 records or information possessed by the requesting agency to detect  
26 improper or fraudulent claims, or to determine potential tax liability  
27 or employer compliance with registration and licensing requirements.  
28 In those cases the governmental agency shall not be required to comply  
29 with subsection (1)(c) of this section, but the requirements of the  
30 remainder of subsection (1) of this section must be satisfied.

31 (6) Governmental agencies may have access to certain records and  
32 information, limited to employer information possessed by the  
33 department for purposes authorized in chapter 50.38 RCW. Access to  
34 these records and information is limited to only those individuals  
35 conducting authorized statistical analysis, research, and evaluation  
36 studies. Only in cases consistent with the purposes of chapter 50.38  
37 RCW are government agencies not required to comply with subsection  
38 (1)(c) of this section, but the requirements of the remainder of  
39 subsection (1) of this section must be satisfied. Information provided

1 by the department and held to be private and confidential under state  
2 or federal laws shall not be misused or released to unauthorized  
3 parties subject to the sanctions in RCW 50.13.080.

4 (7) Disclosure to governmental agencies of information or records  
5 obtained by the employment security department from the federal  
6 government shall be governed by any applicable federal law or any  
7 agreement between the federal government and the employment security  
8 department where so required by federal law. When federal law does not  
9 apply to the records or information state law shall control.

10 (8) The department may provide information for purposes of  
11 statistical analysis and evaluation of the WorkFirst program or any  
12 successor state welfare program((7)) to the department of social and  
13 health services, the office of financial management, and other  
14 governmental entities with oversight or evaluation responsibilities for  
15 the program ((shall have access to employer wage information on clients  
16 in the program whose names and social security numbers are provided to  
17 the department)) in accordance with RCW 43.20A.080. The confidential  
18 information provided by the department shall remain the property of the  
19 department and may be used by the authorized requesting agencies only  
20 for statistical analysis, research, and evaluation purposes as provided  
21 in RCW 74.08A.410 and 74.08A.420. The department of social and health  
22 services ((is)), the office of financial management, or other  
23 governmental entities with oversight or evaluation responsibilities for  
24 the program are not required to comply with subsection (1)(c) of this  
25 section, but the requirements of the remainder of subsection (1) of  
26 this section and applicable federal laws and regulations must be  
27 satisfied. The confidential information used for evaluation and  
28 analysis of welfare reform supplied to the authorized requesting  
29 entities with regard to the WorkFirst program or any successor state  
30 welfare program are exempt from public inspection and copying under RCW  
31 42.17.310.

32 (9) The disclosure of any records or information by a governmental  
33 agency which has obtained the records or information under this section  
34 is prohibited unless the disclosure is directly connected to the  
35 official purpose for which the records or information were obtained.

36 (10) In conducting periodic salary or fringe benefit studies  
37 pursuant to law, the department of personnel shall have access to  
38 records of the employment security department as may be required for

1 such studies. For such purposes, the requirements of subsection (1)(c)  
2 of this section need not apply.

3 (11) To promote the reemployment of job seekers, the commissioner  
4 may enter into data-sharing contracts with partners of the one-stop  
5 career development system. The contracts shall provide for the  
6 transfer of data only to the extent that the transfer is necessary for  
7 the efficient provisions of work force programs, including but not  
8 limited to public labor exchange, unemployment insurance, worker  
9 training and retraining, vocational rehabilitation, vocational  
10 education, adult education, transition from public assistance, and  
11 support services. The transfer of information under contracts with  
12 one-stop partners is exempt from subsection (1)(c) of this section.

13 (12) To facilitate improved operation and evaluation of state  
14 programs, the commissioner may enter into data-sharing contracts with  
15 other state agencies only to the extent that such transfer is necessary  
16 for the efficient operation or evaluation of outcomes for those  
17 programs. The transfer of information by contract under this  
18 subsection is exempt from subsection (1)(c) of this section.

19 (13) The misuse or unauthorized release of records or information  
20 by any person or organization to which access is permitted by this  
21 chapter subjects the person or organization to a civil penalty of five  
22 thousand dollars and other applicable sanctions under state and federal  
23 law. Suit to enforce this section shall be brought by the attorney  
24 general and the amount of any penalties collected shall be paid into  
25 the employment security department administrative contingency fund.  
26 The attorney general may recover reasonable attorneys' fees for any  
27 action brought to enforce this section.

28 **Sec. 3.** RCW 42.17.310 and 1999 c 326 s 3, 1999 c 290 s 1, and 1999

1 conflicting part of this act is inoperative solely to the extent of the  
2 conflict, and the finding or determination does not affect the  
3 operation of the remainder of this act. Rules adopted under this act  
4 must meet federal requirements that are a necessary condition to the  
5 receipt of federal funds by the state or the granting of federal  
6 unemployment tax credits to employers in this state.

7 NEW SECTION. **Sec. 5.** If any provision of this act or its  
8 application to any person or circumstance is held invalid, the  
9 remainder of the act or the application of the provision to other
