19 rules of the board in determining a job classification for a job held
20 by that employee may appeal the director's decision to the board by
21 filing a notice in writing within thirty days of the action from which
22 the appeal is taken. Decisions of the board concerning such appeals
23 are final and not subject to further appeal.

7 NEW SECTION. Sec. 208. A new section is added to chapter 41.06
8 RCW to read as follows:

9 (1) Any department, agency, or institution of higher education may
10 purchase services, including services that have been customarily and
11 historically provided by employees in the classified service under this
12 chapter, by contracting with individuals, nonprofit organizations,
13 businesses, employee business units, or other entities if the following
14 criteria are met:

15 (a) The invitation for bid or request for proposal contains
16 measurable standards for the performance of the contract;

17 (b) Employees in the classified service whose positions or work
18 would be displaced by the contract are provided an opportunity to offer
19 alternatives to purchasing services by contract and, if these
20 alternatives are not accepted, compete for the contract under
21 competitive contracting procedures in subsection (4) of this section;

22 (c) The contract with an entity other than an employee business
23 unit includes a provision requiring the entity to consider employment
24 of state employees who may be displaced by the contract;

25 (d) The department, agency, or institution of higher education has
26 established a contract monitoring process to measure contract
27 performance, costs, service delivery quality, and other contract
28 standards, and to cancel contracts that do not meet those standards;

30 (e) The department, agency, or institution of higher education has
31 demonstrated that the contract results in savings or efficiency
32 improvements. The contracting agency must consider the consequences
33 and potential mitigation of improper or failed performance by the
34 contractor.

35 (2) Any provision contrary to or in conflict with this section in
36 any collective bargaining agreement in effect on the effective date of
37 this section is not effective beyond the expiration date of the
38 agreement.

1 (3) Contracting for services that was authorized by law prior to
2 the effective date of this section shall not be subject to the
3 processes set forth in subsections (1) and (4) through (6) of this
4 section.

5 (4) Competitive contracting shall be implemented as follows:

6 (a) At least ninety days prior to the date the contracting agency
7 requests bids from private entities for a contract for services
8 provided by classified employees, the contracting agency shall notify
9 the classified employees whose positions or work would be displaced by
10 the contract. The employees shall have sixty days from the date of
11 notification to offer alternatives to purchasing services by contract,
12 and the agency shall consider the alternatives before requesting bids.

13 (b) If the employees decide to compete for the contract, they shall
14 notify the contracting agency of their decision. Employees must form

16 or bids to perform the services.

17 (c) The director of personnel, with the advice and assistance of
18 the department of general administration, shall develop and make

20 and general bid preparation.

21 (d) The director of general administration, with the advice and
22 assistance of the department of personnel, shall, by rule, establish
23 procedures to ensure that bids are submitted and evaluated in a fair

26 Prohibitions against participation in the bid evaluation process by
27 employees who prepared the business unit's bid or who perform any of
28 the services to be contracted; (ii) provisions to ensure no bidder
29 receives an advantage over other bidders and that bid requirements are
30 applied equitably to all parties; and (iii) procedures that require the
31 contracting agency to receive complaints regarding the bidding process
32 and to consider them before awarding the contract. Appeal of an
33 agency's actions under this subsection is an adjudicative proceeding
34 and subject to the applicable provisions of chapter 34.05 RCW, the
35 administrative procedure act, with the final decision to be rendered by
36 an administrative law judge assigned under chapter 34.12 RCW.

37 (e) An employee business unit's bid must include the fully
38 allocated costs of the service, including the cost of the employees'
39 salaries and benefits, space, equipment, materials, and other costs

1 necessary to perform the function. An employee business unit's cost
2 shall not include the state's indirect overhead costs unless those
3 costs can be attributed directly to the function in question and would
4 not exist if that function were not performed in state service.

7 bidding process.

23 NEW SECTION. Sec. 234. A new section is added to chapter 41.06
24 RCW to read as follows:

25 (1) The personnel appeals board is hereby abolished and its powers,
26 duties, and functions are hereby transferred to the Washington

28 or the personnel appeals board in the Revised Code of Washington shall
29 be construed to mean the director of the department of personnel or the
30 Washington personnel resources board.

8 financial management shall make a determination as to the proper
9 allocation and certify the same to the state agencies concerned.

10 (3) All employees of the personnel appeals board are transferred to
11 the jurisdiction of the department of personnel. All employees
12 classified under chapter 41.06 RCW, the state civil service law, are
13 assigned to the department of personnel to perform their usual duties
14 upon the same terms as formerly, without any loss of rights, subject to
15 any action that may be appropriate thereafter in accordance with the
16 laws and rules governing state civil service.

17 (4) All rules and all pending business before the personnel appeals
18 board shall be continued and acted upon by the Washington personnel
19 resources board. All existing contracts and obligations shall remain
20 in full force and shall be performed by the department of personnel.

21 (5) The transfer of the powers, duties, functions, and personnel of
22 the personnel appeals board shall not affect the validity of any act
23 performed before the effective date of this section.

24 (6) If apportionments of budgeted funds are required because of the
25 transfers directed by this section, the director of financial
26 management shall certify the apportionments to the agencies affected,

29 accounts and equipment records in accordance with the certification.

30 **Sec. 235.** RCW 13.40.320 and 1997 c 338 s 38 are each amended to
31 read as follows:

32 (1) The department of social and health services shall establish
33 and operate a medium security juvenile offender basic training camp
34 program. The department shall site a juvenile offender basic training
35 camp facility in the most cost-effective facility possible and shall
36 review the possibility of using an existing abandoned and/or available
37 state, federally, or military-owned site or facility.

1 (2) The department may contract under this chapter with private
2 companies, the national guard, or other federal, state, or local
3 agencies to operate the juvenile offender basic training camp(~~(7~~
4 ~~notwithstanding the provisions of RCW 41.06.380)~~). Requests for
5 proposals from possible contractors shall not call for payment on a per
6 diem basis.

7 (3) The juvenile offender basic training camp shall accommodate at
8 least seventy offenders. The beds shall count as additions to, and not
9 be used as replacements for, existing bed capacity at existing
10 department of social and health services juvenile facilities.

11 (4) The juvenile offender basic training camp shall be a structured
12 and regimented model lasting one hundred twenty days emphasizing the
13 building up of an offender's self-esteem, confidence, and discipline.
14 The juvenile offender basic training camp program shall provide
15 participants with basic education, prevocational training, work-based
16 learning, live work, work ethic skills, conflict resolution counseling,
17 substance abuse intervention, anger management counseling, and
18 structured intensive physical training. The juvenile offender basic
19 training camp program shall have a curriculum training and work
20 schedule that incorporates a balanced assignment of these or other
21 rehabilitation and training components for no less than sixteen hours
22 per day, six days a week.

23 The department shall adopt rules for the safe and effective
24 operation of the juvenile offender basic training camp program,
25 standards for an offender's successful program completion, and rules
26 for the continued after-care supervision of offenders who have
27 successfully completed the program.

28 (5) Offenders eligible for the juvenile offender basic training
29 camp option shall be those with a disposition of not more than sixty-
30 five weeks. Violent and sex offenders shall not be eligible for the
31 juvenile offender basic training camp program.

32 (6) If the court determines that the offender is eligible for the
33 juvenile offender basic training camp option, the court may recommend
34 that the department place the offender in the program. The department
35 shall evaluate the offender and may place the offender in the program.
36 The evaluation shall include, at a minimum, a risk assessment developed
37 by the department and designed to determine the offender's suitability
38 for the program. No juvenile who is assessed as a high risk offender
39 or suffers from any mental or physical problems that could endanger his

1 or her health or drastically affect his or her performance in the
2 program shall be admitted to or retained in the juvenile offender basic
3 training camp program.

4 (7) All juvenile offenders eligible for the juvenile offender basic
5 training camp sentencing option shall spend one hundred twenty days of
6 their disposition in a juvenile offender basic training camp. If the
7 juvenile offender's activities while in the juvenile offender basic
8 training camp are so disruptive to the juvenile offender basic training
9 camp program, as determined by the secretary according to rules adopted
10 by the department, as to result in the removal of the juvenile offender
11 from the juvenile offender basic training camp program, or if the
12 offender cannot complete the juvenile offender basic training camp
13 program due to medical problems, the secretary shall require that the
14 offender be committed to a juvenile institution to serve the entire
15 remainder of his or her disposition, less the amount of time already
16 served in the juvenile offender basic training camp program.

17 (8) All offenders who successfully graduate from the one hundred
18 twenty day juvenile offender basic training camp program shall spend
19 the remainder of their disposition on parole in a division of juvenile
20 rehabilitation intensive aftercare program in the local community. The
21 program shall provide for the needs of the offender based on his or her
22 progress in the aftercare program as indicated by ongoing assessment of
23 those needs and progress. The intensive aftercare program shall
24 monitor postprogram juvenile offenders and assist them to successfully
25 reintegrate into the community. In addition, the program shall develop
26 a process for closely monitoring and assessing public safety risks.
27 The intensive aftercare program shall be designed and funded by the
28 department of social and health services.

29 (9) The department shall also develop and maintain a data base to
30 measure recidivism rates specific to this incarceration program. The
31 data base shall maintain data on all juvenile offenders who complete
32 the juvenile offender basic training camp program for a period of two
33 years after they have completed the program. The data base shall also
34 maintain data on the criminal activity, educational progress, and
35 employment activities of all juvenile offenders who participated in the
36 program.

37 **Sec. 236.** RCW 39.29.006 and 1998 c 101 s 2 are each amended to

7 clients including, but not limited to, medical and dental services,
8 employment and training programs, residential care, and subsidized

10 (3) "Competitive solicitation" means a documented formal process
11 providing an equal and open opportunity to qualified parties and
12 culminating in a selection based on criteria which may include such
13 factors as the consultant's fees or costs, ability, capacity,
14 experience, reputation, responsiveness to time limitations,
15 responsiveness to solicitation requirements, quality of previous
16 performance, and compliance with statutes and rules relating to
17 contracts or services.

18 (4) "Consultant" means an independent individual or firm
19 contracting with an agency to perform a service or render an opinion or
20 recommendation according to the consultant's methods and without being
21 subject to the control of the agency except as to the result of the
22 work. The agency monitors progress under the contract and authorizes
23 payment.

24 (5) "Emergency" means a set of unforeseen circumstances beyond the
25 control of the agency that either:

26 (a) Present a real, immediate threat to the proper performance of
27 essential functions; or

28 (b) May result in material loss or damage to property, bodily
29 injury, or loss of life if immediate action is not taken.

30 (6) "Evidence of competition" means documentation demonstrating
31 that the agency has solicited responses from multiple firms in
32 selecting a consultant.

33 (7) "Personal service" means professional or technical expertise
34 provided by a consultant to accomplish a specific study, project, task,
35 or other work statement. This term does not include purchased services
36 as defined under subsection (9) of this section. This term does

38 (8) "Personal service contract" means an agreement, or any

1 services to the state which is consistent with ((RCW 41.06.380))
2 section 208 of this act.

3 (9) "Purchased services" means services provided by a vendor to
4 accomplish routine, continuing and necessary functions. This term
5 includes, but is not limited to, services acquired under RCW 43.19.190
6 or 43.105.041 for equipment maintenance and repair; operation of a

15 **Sec. 237.** RCW 41.04.385 and 1993 c 194 s 5 are each amended to
16 read as follows:

17 The legislature finds that (1) demographic, economic, and social
18 trends underlie a critical and increasing demand for child care in the
19 state of Washington; (2) working parents and their children benefit
20 when the employees' child care needs have been resolved; (3) the state
21 of Washington should serve as a model employer by creating a supportive
22 atmosphere, to the extent feasible, in which its employees may meet
23 their child care needs; and (4) the state of Washington should
24 encourage the development of partnerships between state agencies, state
25 employees, state employee labor organizations, and private employers to
26 expand the availability of affordable quality child care. The
27 legislature finds further that resolving employee child care concerns
28 not only benefits the employees and their children, but may benefit the
29 employer by reducing absenteeism, increasing employee productivity,
30 improving morale, and enhancing the employer's position in recruiting
31 and retaining employees. Therefore, the legislature declares that it
32 is the policy of the state of Washington to assist state employees by
33 creating a supportive atmosphere in which they may meet their child
34 care needs. Policies and procedures for state agencies to address
35 employee child care needs will be the responsibility of the director of
36 personnel in consultation with the child care coordinating committee,
37 as provided in RCW 74.13.090, and state employee representatives ((as
38 provided under RCW 41.06.140)).

1 **Sec. 238.** RCW 47.46.040 and 1995 2nd sp.s. c 19 s 3 are each
2 amended to read as follows:

3 (1) All projects designed, constructed, and operated under this
4 authority must comply with all applicable rules and statutes in
5 existence at the time the agreement is executed, including but not
6 limited to the following provisions: Chapter 39.12 RCW, this title,
7 (~~RCW 41.06.380~~) section 208 of this act, chapter 47.64 RCW, RCW
8 49.60.180, and 49 C.F.R. Part 21.

9 (2) The secretary or a designee shall consult with legal,
10 financial, and other experts within and outside state government in the
11 negotiation and development of the agreements.

12 (3) Agreements shall provide for private ownership of the projects
13 during the construction period. After completion and final acceptance
14 of each project or discrete segment thereof, the agreement shall
15 provide for state ownership of the transportation systems and
16 facilities and lease to the private entity unless the state elects to
17 provide for ownership of the facility by the private entity during the
18 term of the agreement.

19 The state shall lease each of the demonstration projects, or
20 applicable project segments, to the private entities for operating
21 purposes for up to fifty years.

22 (4) The department may exercise any power possessed by it to
23 facilitate the development, construction, financing operation, and
24 maintenance of transportation projects under this chapter. Agreements
25 for maintenance services entered into under this section shall provide
26 for full reimbursement for services rendered by the department or other
27 state agencies. Agreements for police services for projects, involving
28 state highway routes, developed under agreements shall be entered into
29 with the Washington state patrol. The agreement for police services
30 shall provide that the state patrol will be reimbursed for costs on a
31 comparable basis with the costs incurred for comparable service on
32 other state highway routes. The department may provide services for
33 which it is reimbursed, including but not limited to preliminary
34 planning, environmental certification, and preliminary design of the
35 demonstration projects.

36 (5) The plans and specifications for each project constructed under
37 this section shall comply with the department's standards for state
38 projects. A facility constructed by and leased to a private entity is
39 deemed to be a part of the state highway system for purposes of

1 identification, maintenance, and enforcement of traffic laws and for
2 the purposes of applicable sections of this title. Upon reversion of
3 the facility to the state, the project must meet all applicable state
4 standards. Agreements shall address responsibility for reconstruction
5 or renovations that are required in order for a facility to meet all
6 applicable state standards upon reversion of the facility to the state.

7 (6) For the purpose of facilitating these projects and to assist
8 the private entity in the financing, development, construction, and
9 operation of the transportation systems and facilities, the agreements
10 may include provisions for the department to exercise its authority,
11 including the lease of facilities, rights of way, and airspace,
12 exercise of the power of eminent domain, granting of development rights
13 and opportunities, granting of necessary easements and rights of
14 access, issuance of permits and other authorizations, protection from
15 competition, remedies in the event of default of either of the parties,
16 granting of contractual and real property rights, liability during
17 construction and the term of the lease, authority to negotiate
18 acquisition of rights of way in excess of appraised value, and any
19 other provision deemed necessary by the secretary.

20 (7) The agreements entered into under this section may include
21 provisions authorizing the state to grant necessary easements and lease
22 to a private entity existing rights of way or rights of way
23 subsequently acquired with public or private financing. The agreements
24 may also include provisions to lease to the entity airspace above or
25 below the right of way associated or to be associated with the private
26 entity's transportation facility. In consideration for the reversion
27 rights in these privately constructed facilities, the department may
28 negotiate a charge for the lease of airspace rights during the term of
29 the agreement for a period not to exceed fifty years. If, after the
30 expiration of this period, the department continues to lease these
31 airspace rights to the private entity, it shall do so only at fair
32 market value. The agreement may also provide the private entity the
33 right of first refusal to undertake projects utilizing airspace owned
34 by the state in the vicinity of the public-private project.

35 (8) Agreements under this section may include any contractual
36 provision that is necessary to protect the project revenues required to
37 repay the costs incurred to study, plan, design, finance, acquire,
38 build, install, operate, enforce laws, and maintain toll highways,
39 bridges, and tunnels and which will not unreasonably inhibit or

1 prohibit the development of additional public transportation systems
2 and facilities. Agreements under this section must secure and maintain
3 liability insurance coverage in amounts appropriate to protect the
4 project's viability and may address state indemnification of the
5 private entity for design and construction liability where the state
6 has approved relevant design and construction plans.

7 (9) Agreements shall include a process that provides for public
8 involvement in decision making with respect to the development of the
9 projects.

10 (10)(a) In carrying out the public involvement process required in
11 subsection (9) of this section, the private entity shall proactively
12 seek public participation through a process appropriate to the
13 characteristics of the project that assesses and demonstrates public
14 support among: Users of the project, residents of communities in the
15 vicinity of the project, and residents of communities impacted by the
16 project.

17 (b) The private entity shall conduct a comprehensive public
18 involvement process that provides, periodically throughout the
19 development and implementation of the project, users and residents of
20 communities in the affected project area an opportunity to comment upon
21 key issues regarding the project including, but not limited to: (i)
22 Alternative sizes and scopes; (ii) design; (iii) environmental
23 assessment; (iv) right of way and access plans; (v) traffic impacts;
24 (vi) tolling or user fee strategies and tolling or user fee ranges;
25 (vii) project cost; (viii) construction impacts; (ix) facility
26 operation; and (x) any other salient characteristics.

27 (c) If the affected project area has not been defined, the private
28 entity shall define the affected project area by conducting, at a
29 minimum: (i) A comparison of the estimated percentage of residents of
30 communities in the vicinity of the project and in other communities
31 impacted by the project who could be subject to tolls or user fees and
32 the estimated percentage of other users and transient traffic that
33 could be subject to tolls or user fees; (ii) an analysis of the
34 anticipated traffic diversion patterns; (iii) an analysis of the
35 potential economic impact resulting from proposed toll rates or user
36 fee rates imposed on residents, commercial traffic, and commercial
37 entities in communities in the vicinity of and impacted by the project;
38 (iv) an analysis of the economic impact of tolls or user fees on the

1 price of goods and services generally; and (v) an analysis of the
2 relationship of the project to state transportation needs and benefits.

3 The agreement may require an advisory vote by users of and
4 residents in the affected project area.

5 (d) In seeking public participation, the private entity shall
6 establish a local involvement committee or committees comprised of
7 residents of the affected project area, individuals who represent
8 cities and counties in the affected project area, organizations formed
9 to support or oppose the project, if such organizations exist, and
10 users of the project. The private entity shall, at a minimum,
11 establish a committee as required under the specifications of RCW
12 47.46.030(~~(+5)~~) (6)(b) (ii) and (iii) and appointments to such
13 committee shall be made no later than thirty days after the project
14 area is defined.

15 (e) Local involvement committees shall act in an advisory capacity
16 to the department and the private entity on all issues related to the
17 development and implementation of the public involvement process
18 established under this section.

19 (f) The department and the private entity shall provide the
20 legislative transportation committee and local involvement committees
21 with progress reports on the status of the public involvement process
22 including the results of an advisory vote, if any occurs.

23 (11) Nothing in this chapter limits the right of the secretary and
24 his or her agents to render such advice and to make such
25 recommendations as they deem to be in the best interests of the state
26 and the public.

27 **Sec. 239.** RCW 72.09.100 and 1995 1st sp.s. c 19 s 33 are each
28 amended to read as follows:

29 It is the intent of the legislature to vest in the department the
30 power to provide for a comprehensive inmate work program and to remove
31 statutory and other restrictions which have limited work programs in
32 the past. For purposes of establishing such a comprehensive program,
33 the legislature recommends that the department consider adopting any or
34 all, or any variation of, the following classes of work programs:

35 (1) CLASS I: FREE VENTURE INDUSTRIES. The employer model
36 industries in this class shall be operated and managed in total or in
37 part by any profit or nonprofit organization pursuant to an agreement
38 between the organization and the department. The organization shall

1 produce goods or services for sale to both the public and private
2 sector.

3 The customer model industries in this class shall be operated and
4 managed by the department to provide Washington state manufacturers or
5 businesses with products or services currently produced or provided by
6 out-of-state or foreign suppliers. The correctional industries board
7 of directors shall review these proposed industries before the
8 department contracts to provide such products or services. The review
9 shall include an analysis of the potential impact of the proposed
10 products and services on the Washington state business community and
11 labor market.

12 The department of corrections shall supply appropriate security and
13 custody services without charge to the participating firms.

14 Inmates who work in free venture industries shall do so at their
15 own choice. They shall be paid a wage comparable to the wage paid for
16 work of a similar nature in the locality in which the industry is
17 located, as determined by the director of correctional industries. If
18 the director cannot reasonably determine the comparable wage, then the
19 pay shall not be less than the federal minimum wage.

20 An inmate who is employed in the class I program of correctional
21 industries shall not be eligible for unemployment compensation benefits
22 pursuant to any of the provisions of Title 50 RCW until released on
23 parole or discharged.

24 (2) CLASS II: TAX REDUCTION INDUSTRIES. Industries in this class
25 shall be state-owned and operated enterprises designed to reduce the
26 costs for goods and services for tax-supported agencies and for
27 nonprofit organizations. The industries selected for development
28 within this class shall, as much as possible, match the available pool
29 of inmate work skills and aptitudes with the work opportunities in the
30 free community. The industries shall be closely patterned after
31 private sector industries but with the objective of reducing public
32 support costs rather than making a profit. The products and services
33 of this industry, including purchased products and services necessary
34 for a complete product line, may be sold to public agencies, to
35 nonprofit organizations, and to private contractors when the goods
36 purchased will be ultimately used by a public agency or a nonprofit
37 organization. Clothing manufactured by an industry in this class may
38 be donated to nonprofit organizations that provide clothing free of
39 charge to low-income persons. Correctional industries products and

1 services shall be reviewed by the correctional industries board of
2 directors before offering such products and services for sale to
3 private contractors. The board of directors shall conduct a yearly
4 marketing review of the products and services offered under this
5 subsection. Such review shall include an analysis of the potential
6 impact of the proposed products and services on the Washington state
7 business community. To avoid waste or spoilage and consequent loss to
8 the state, when there is no public sector market for such goods,
9 byproducts and surpluses of timber, agricultural, and animal husbandry
10 enterprises may be sold to private persons, at private sale. Surplus
11 byproducts and surpluses of timber, agricultural and animal husbandry
12 enterprises that cannot be sold to public agencies or to private
13 persons may be donated to nonprofit organizations. All sales of
14 surplus products shall be carried out in accordance with rules
15 prescribed by the secretary.

16 Security and custody services shall be provided without charge by
17 the department of corrections.

18 Inmates working in this class of industries shall do so at their
19 own choice and shall be paid for their work on a gratuity scale which
20 shall not exceed the wage paid for work of a similar nature in the
21 locality in which the industry is located and which is approved by the
22 director of correctional industries.

23 Subject to approval of the correctional industries board,
24 provisions of ((RCW 41.06.380 prohibiting contracting out work
25 performed by classified employees)) section 208 of this act shall not
26 apply to contracts with Washington state businesses entered into by the
27 department of corrections through class II industries.

28 (3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES. Industries in
29 this class shall be operated by the department of corrections. They
30 shall be designed and managed to accomplish the following objectives:

31 (a) Whenever possible, to provide basic work training and
32 experience so that the inmate will be able to qualify for better work
33 both within correctional industries and the free community. It is not
34 intended that an inmate's work within this class of industries should
35 be his or her final and total work experience as an inmate.

36 (b) Whenever possible, to provide forty hours of work or work
37 training per week.

38 (c) Whenever possible, to offset tax and other public support
39 costs.

1 Supervising, management, and custody staff shall be employees of
2 the department.

3 All able and eligible inmates who are assigned work and who are not
4 working in other classes of industries shall work in this class.

5 Except for inmates who work in work training programs, inmates in
6 this class shall be paid for their work in accordance with an inmate
7 gratuity scale. The scale shall be adopted by the secretary of
8 corrections.

9 (4) CLASS IV: COMMUNITY WORK INDUSTRIES. Industries in this class
10 shall be operated by the department of corrections. They shall be
11 designed and managed to provide services in the inmate's resident
12 community at a reduced cost. The services shall be provided to public
13 agencies, to persons who are poor or infirm, or to nonprofit
14 organizations.

15 Inmates in this program shall reside in facilities owned by,
16 contracted for, or licensed by the department of corrections. A unit
17 of local government shall provide work supervision services without
18 charge to the state and shall pay the inmate's wage.

19 The department of corrections shall reimburse participating units
20 of local government for liability and workers compensation insurance
21 costs.

22 Inmates who work in this class of industries shall do so at their
23 own choice and shall receive a gratuity which shall not exceed the wage
24 paid for work of a similar nature in the locality in which the industry
25 is located.

26 (5) CLASS V: COMMUNITY SERVICE PROGRAMS. Programs in this class
27 shall be subject to supervision by the department of corrections. The
28 purpose of this class of industries is to enable an inmate, placed on
29 community supervision, to work off all or part of a community service
30 order as ordered by the sentencing court.

31 Employment shall be in a community service program operated by the
32 state, local units of government, or a nonprofit agency.

33 To the extent that funds are specifically made available for such
34 purposes, the department of corrections shall reimburse nonprofit
35 agencies for workers compensation insurance costs.

36 **Sec. 240.** RCW 41.06.079 and 1993 c 281 s 23 are each amended to
37 read as follows:

2 provisions of this chapter shall not apply in the department of
3 transportation to the secretary, a deputy secretary, an administrative
4 assistant to the secretary, if any, one assistant secretary for each
5 division designated pursuant to RCW 47.01.081, one confidential
6 secretary for each of the above-named officers, up to six
7 transportation district administrators and one confidential secretary
8 for each district administrator, up to six additional new

14 manager, the state project development engineer, the state maintenance
15 and operations engineer, one confidential secretary for each of the

17 affairs administrator. The individuals appointed under this section
18 shall be exempt from the provisions of the state civil service law, and
19 shall be paid salaries to be fixed by the governor in accordance with
20 the procedure established by law for the fixing of salaries for

22 **Sec. 241.** RCW 41.06.152 and 1999 c 309 s 914 are each amended to
23 read as follows:

24 (1) The board shall adopt only those job classification revisions,
25 class studies, and salary adjustments under RCW 41.06.150(~~((15))~~) (12)
26 that:

27 (a) Are due to documented recruitment and retention difficulties,
28 salary compression or inversion, increased duties and responsibilities,
29 or inequities. For these purposes, inequities are defined as similar
30 work assigned to different job classes with a salary disparity greater
31 than 7.5 percent; and

32 (b) Are such that the office of financial management has reviewed
33 the agency's fiscal impact statement and has concurred that the agency
34 can absorb the biennialized cost of the reclassification, class study,
35 or salary adjustment within the agency's current authorized level of
36 funding for the current fiscal biennium and subsequent fiscal biennia.

37 (2) In addition to reclassifications, class studies, and salary
38 adjustments under subsection (1)(b) of this section, the board may

1 approve other reclassifications, class studies, and salary adjustments
2 that meet the requirements of subsection (1)(a) of this section and
3 have been approved under the procedures established under this
4 subsection.

5 Before the department of personnel's biennial budget request is due
6 to the office of financial management, the board shall prioritize
7 requests for reclassifications, class studies, and salary adjustments
8 for the next fiscal biennium. The board shall prioritize according to
9 such criteria as are developed by the board consistent with RCW
10 41.06.150(~~(15)~~) (12)(a).

11 The board shall submit the prioritized list to the governor's
12 office and the fiscal committees of the house of representatives and
13 senate at the same time the department of personnel's biennial budget
14 request is submitted. The office of financial management shall review
15 the biennial cost of each proposed salary adjustment on the board's
16 prioritized list.

17 In the biennial appropriations acts, the legislature may establish
18 a level of funding, from the state general fund and other accounts, to
19 be applied by the board to the prioritized list. Upon enactment of the
20 appropriations act, the board may approve reclassifications, class
21 studies, and salary adjustments only to the extent that the total cost
22 does not exceed the level of funding established in the appropriations
23 acts and the board's actions are consistent with the priorities
24 established in the list. The legislature may also specify or otherwise
25 limit in the appropriations act the implementation dates for actions
26 approved by the board under this section.

27 (3) When the board develops its priority list in the 1999-2001
28 biennium, for increases proposed for funding in the 2001-2003 biennium,
29 the board shall give top priority to proposed increases to address
30 documented recruitment and retention increases, and shall give lowest
31 priority to proposed increases to recognize increased duties and
32 responsibilities. When the board submits its prioritized list for the
33 2001-2003 biennium, the board shall also provide: A comparison of any
34 differences between the salary increases recommended by the department
35 of personnel staff and those adopted by the board; a review of any
36 salary compression, inversion, or inequities that would result from
37 implementing a recommended increase; and a complete description of the
38 information relied upon by the board in adopting its proposals and
39 priorities.

1 (4) This section does not apply to the higher education hospital
2 special pay plan or to any adjustments to the classification plan under
3 RCW 41.06.150(~~(15)~~) (12) that are due to emergent conditions.
4 Emergent conditions are defined as emergency conditions requiring the
5 establishment of positions necessary for the preservation of the public
6 health, safety, or general welfare.

7 **Sec. 242.** RCW 41.06.152 and 2000 c . . . s 241 (section 241 of
8 this act) are each amended to read as follows:

9 (1) The (~~board~~) director shall adopt only those job
10 classification revisions, class studies, and salary adjustments under
11 RCW 41.06.150(~~(12)~~) (4) that:

12 (a) Are due to documented recruitment and retention difficulties,
13 salary compression or inversion, increased duties and responsibilities,
14 or inequities. For these purposes, inequities are defined as similar
15 work assigned to different job classes with a salary disparity greater
16 than 7.5 percent; and

17 (b) Are such that the office of financial management has reviewed
18 the agency's fiscal impact statement and has concurred that the agency
19 can absorb the biennialized cost of the reclassification, class study,
20 or salary adjustment within the agency's current authorized level of
21 funding for the current fiscal biennium and subsequent fiscal biennia.

22 (2) In addition to reclassifications, class studies, and salary
23 adjustments under subsection (1)(b) of this section, the board may
24 approve other reclassifications, class studies, and salary adjustments
25 that meet the requirements of subsection (1)(a) of this section and
26 have been approved under the procedures established under this
27 subsection.

28 Before the department of personnel's biennial budget request is due
29 to the office of financial management, the board shall prioritize
30 requests for reclassifications, class studies, and salary adjustments
31 for the next fiscal biennium. The board shall prioritize according to
32 such criteria as are developed by the board consistent with RCW
33 41.06.150(~~(12)~~) (4)(a).

34 The board shall submit the prioritized list to the governor's
35 office and the fiscal committees of the house of representatives and
36 senate at the same time the department of personnel's biennial budget
37 request is submitted. The office of financial management shall review

1 the biennial cost of each proposed salary adjustment on the board's
2 prioritized list.

3 In the biennial appropriations acts, the legislature may establish
4 a level of funding, from the state general fund and other accounts, to
5 be applied by the board to the prioritized list. Upon enactment of the
6 appropriations act, the board may approve reclassifications, class
7 studies, and salary adjustments only to the extent that the total cost
8 does not exceed the level of funding established in the appropriations
9 acts and the board's actions are consistent with the priorities
10 established in the list. The legislature may also specify or otherwise
11 limit in the appropriations act the implementation dates for actions
12 approved by the board under this section.

13 (3) When the board develops its priority list in the 1999-2001
14 biennium, for increases proposed for funding in the 2001-2003 biennium,
15 the board shall give top priority to proposed increases to address
16 documented recruitment and retention increases, and shall give lowest
17 priority to proposed increases to recognize increased duties and
18 responsibilities. When the board submits its prioritized list for the
19 2001-2003 biennium, the board shall also provide: A comparison of any
20 differences between the salary increases recommended by the department
21 of personnel staff and those adopted by the board; a review of any
22 salary compression, inversion, or inequities that would result from
23 implementing a recommended increase; and a complete description of the
24 information relied upon by the board in adopting its proposals and
25 priorities.

26 (4) This section does not apply to the higher education hospital
27 special pay plan or to any adjustments to the classification plan under
28 RCW 41.06.150(~~((+12))~~) (4) that are due to emergent conditions.
29 Emergent conditions are defined as emergency conditions requiring the
30 establishment of positions necessary for the preservation of the public
31 health, safety, or general welfare.

5 writing and an order shall be issued by the commission setting forth
6 the terms of the agreement. The noncomplying state agency, institution
7 of higher education, or state patrol shall make a good faith effort to
8 conciliate and make a full commitment to correct the noncompliance with
9 any action that may be necessary to achieve compliance, provided such
10 action is not inconsistent with the rules adopted under RCW
11 41.06.150(~~((19))~~) (6) and 43.43.340(5), whichever is appropriate.

12 **Sec. 249.** RCW 49.74.040 and 1985 c 365 s 11 are each amended to
13 read as follows:

14 If no agreement can be reached under RCW 49.74.030, the commission
15 may refer the matter to the administrative law judge for hearing
16 pursuant to RCW 49.60.250. If the administrative law judge finds that
17 the state agency, institution of higher education, or state patrol has
18 not made a good faith effort to correct the noncompliance, the
19 administrative law judge shall order the state agency, institution of
20 higher education, or state patrol to comply with this chapter. The
21 administrative law judge may order any action that may be necessary to
22 achieve compliance, provided such action is not inconsistent with the
23 rules adopted under RCW (~~((28B.16.100(20))~~) 41.06.150(~~((21))~~) (19) and
24 43.43.340(5), whichever is appropriate.

25 An order by the administrative law judge may be appealed to
26 superior court.

27 **Sec. 250.** RCW 49.74.040 and 2000 c . . . s 249 (section 249 of
28 this act) are each amended to read as follows:

29 If no agreement can be reached under RCW 49.74.030, the commission
30 may refer the matter to the administrative law judge for hearing
31 pursuant to RCW 49.60.250. If the administrative law judge finds that
32 the state agency, institution of higher education, or state patrol has
33 not made a good faith effort to correct the noncompliance, the
34 administrative law judge shall order the state agency, institution of
35 higher education, or state patrol to comply with this chapter. The
36 administrative law judge may order any action that may be necessary to
37 achieve compliance, provided such action is not inconsistent with the

1 rules adopted under RCW 41.06.150(~~((19))~~) (6) and 43.43.340(5),
2 whichever is appropriate.

3 An order by the administrative law judge may be appealed to
4 superior court.

5 **Sec. 251.** RCW 41.56.201 and 1993 c 379 s 304 are each amended to
6 read as follows:

7 (1) At any time after July 1, 1993, and prior to July 1, 2000, an
8 institution of higher education and the exclusive bargaining
9 representative of a bargaining unit of employees classified under
10 chapter (~~((28B.16—er))~~) 41.06 RCW as appropriate may exercise their
11 option to have their relationship and corresponding obligations
12 governed entirely by the provisions of this chapter by complying with
13 the following:

14 (a) The parties will file notice of the parties' intent to be so
15 governed, subject to the mutual adoption of a collective bargaining
16 agreement permitted by this section recognizing the notice of intent.
17 The parties shall provide the notice to the higher education personnel
18 board or its successor and the commission;

19 (b) During the negotiation of an initial contract between the
20 parties under this chapter, the parties' scope of bargaining shall be
21 governed by this chapter and any disputes arising out of the collective
22 bargaining rights and obligations under this subsection shall be
23 determined by the commission. If the commission finds that the parties
24 are at impasse, the notice filed under (a) of this subsection shall be
25 void and have no effect; and

26 (c) On the first day of the month following the month during which
27 the institution of higher education and the exclusive bargaining
28 representative provide notice to the higher education personnel board
29 or its successor and the commission that they have executed an initial
30 collective bargaining agreement recognizing the notice of intent filed
31 under (a) of this subsection, chapter (~~((28B.16—er))~~) 41.06 RCW as
32 appropriate shall cease to apply to all employees in the bargaining
33 unit covered by the agreement.

34 (2) All collective bargaining rights and obligations concerning
35 relations between an institution of higher education and the exclusive
36 bargaining representative of its employees who have agreed to exercise
37 the option permitted by this section shall be determined under this
38 chapter, subject to the following:

1 (a) The commission shall recognize, in its current form, the
2 bargaining unit as certified by the higher education personnel board or
3 its successor and the limitations on collective bargaining contained in
4 RCW 41.56.100 shall not apply to that bargaining unit.

5 (b) If, on the date of filing the notice under subsection (1)(a) of
6 this section, there is a union shop authorized for the bargaining unit
7 under rules adopted by the higher education personnel board or its
8 successor, the union shop requirement shall continue in effect for the
9 bargaining unit and shall be deemed incorporated into the collective
10 bargaining agreement applicable to the bargaining unit.

11 (c) Salary increases negotiated for the employees in the bargaining
12 unit shall be subject to the following:

13 (i) Salary increases shall continue to be appropriated by the
14 legislature. The exclusive bargaining representative shall meet before
15 a legislative session with the governor or governor's designee and the
16 representative of the institution of higher education concerning the
17 total dollar amount for salary increases and health care contributions
18 that will be contained in the appropriations proposed by the governor
19 under RCW 43.88.060;

20 (ii) The collective bargaining agreements may provide for salary
21 increases from local efficiency savings that are different from or that
22 exceed the amount or percentage for salary increases provided by the
23 legislature in the omnibus appropriations act for the institution of
24 higher education or allocated to the board of trustees by the state
25 board for community and technical colleges, but the base for salary
26 increases provided by the legislature under (c)(i) of this subsection
27 shall include only those amounts appropriated by the legislature, and
28 the base shall not include any additional salary increases provided
29 under this subsection (2)(c)(ii);

30 (iii) Any provisions of the collective bargaining agreements
31 pertaining to salary increases provided under (c)(i) of this subsection
32 shall be subject to modification by the legislature. If any provision
33 of a salary increase provided under (c)(i) of this subsection is
34 changed by subsequent modification of the appropriations act by the
35 legislature, both parties shall immediately enter into collective
36 bargaining for the sole purpose of arriving at a mutually agreed upon
37 replacement for the modified provision.

38 (3) Nothing in this section may be construed to permit an
39 institution of higher education to bargain collectively with an

1 exclusive bargaining representative concerning any matter covered by:
2 (a) Chapter 41.05 RCW, except for the related cost or dollar
3 contributions or additional or supplemental benefits as permitted by
4 chapter 492, Laws of 1993; or (b) chapter 41.32 or 41.40 RCW.

5 (4) Any collective bargaining agreement entered into under this
6 section before July 1, 2002, that expires after July 1, 2002, shall,
7 unless a superseding agreement complying with sections 301 through 314
8 of this act is negotiated by the parties, remain in full force and
9 effect during its duration, but the agreement may not be renewed or
10 extended beyond July 1, 2003, or until superseded by a collective
11 bargaining agreement entered into under sections 301 through 314 of
12 this act, whichever is later.

13 **PART III**

14 **COLLECTIVE BARGAINING REFORM**

15 NEW SECTION. **Sec. 301.** APPLICATION OF CHAPTER. Collective
16 bargaining negotiations under this chapter shall commence no later than
17 July 1, 2002. A collective bargaining agreement entered into under
18 this chapter shall not be effective prior to July 1, 2003. However,
19 any collective bargaining agreement entered into before July 1, 2002,
20 covering employees affected by sections 301 through 314 of this act,
21 that expires after July 1, 2002, shall, unless a superseding agreement
22 complying with sections 301 through 314 of this act is negotiated by
23 the parties, remain in full force during its duration, but the
24 agreement may not be renewed or extended beyond July 1, 2003, or until
25 superseded by a collective bargaining agreement entered into under
26 sections 301 through 314 of this act, whichever is later.

27 NEW SECTION. **Sec. 302.** NEGOTIATION AND RATIFICATION OF COLLECTIVE
28 BARGAINING AGREEMENTS. (1) For the purpose of negotiating collective
29 bargaining agreements under this chapter, the employer shall be
30 represented by the governor or governor's designee, except as provided
31 for institutions of higher education in subsection (4) of this section.

32 (2)(a) If an exclusive bargaining representative represents more
33 than one bargaining unit, the exclusive bargaining representative shall
34 negotiate with each employer representative as designated in subsection
35 (1) of this section one master collective bargaining agreement on
36 behalf of all the employees in bargaining units that the exclusive

1 bargaining representative represents. For those exclusive bargaining
2 representatives who represent fewer than a total of five hundred
3 employees each, negotiation shall be by a coalition of all those
4 exclusive bargaining representatives. The coalition shall bargain for
5 a master collective bargaining agreement covering all of the employees
6 represented by the coalition. The governor's designee and the exclusive
7 bargaining representative or representatives are authorized to enter
8 into supplemental bargaining of agency-specific issues for inclusion in
9 or as an addendum to the master collective bargaining agreement,
10 subject to the parties' agreement regarding the issues and procedures
11 for supplemental bargaining. This section does not prohibit
12 cooperation and coordination of bargaining between two or more
13 exclusive bargaining representatives.

14 (b) This subsection (2) does not apply to exclusive bargaining
15 representatives who represent employees of institutions of higher
16 education, except when the institution of higher education has elected
17 to exercise its option under subsection (4) of this section to have its
18 negotiations conducted by the governor or governor's designee under the
19 procedures provided for general government agencies in subsections (1)
20 through (3) of this section.

21 (c) If five hundred or more employees of an independent state
22 elected official listed in RCW 43.01.010 are organized in a bargaining
23 unit or bargaining units under section 308 of this act, the official
24 shall be consulted by the governor or the governor's designee before
25 any agreement is reached under (a) of this subsection concerning
26 supplemental bargaining of agency specific issues affecting the
27 employees in such bargaining unit.

28 (3) The governor shall submit a request for funds necessary to
29 implement the compensation and fringe benefit provisions in the master
30 collective bargaining agreement or for legislation necessary to
31 implement the agreement within ten days of the date on which the
32 exclusive bargaining representative or representatives ratify the
33 agreement or, if the legislature is not in session, within ten days
34 after the legislature next convenes. Requests for funds necessary to
35 implement the provisions of bargaining agreements negotiated by
36 institutions of higher education according to subsection (4) of this
37 section shall not be submitted to the legislature by the governor
38 unless such requests:

1 (a) Have been submitted to the director of the office of financial
2 management prior to October 1 of the year they are negotiated; and

3 (b) Have been certified by the director of the office of financial
4 management as being feasible financially for the state.

5 The legislature shall approve or reject the submission of the
6 request for funds as a whole. If the legislature rejects or fails to
7 act on the submission, either party may reopen all or part of the
8 agreement or the exclusive bargaining representative may seek to
9 implement the procedures provided for in section 310 of this act.

10 (4) For the purpose of negotiating agreements for institutions of
11 higher education, the employer shall be the respective governing board
12 of each of the universities, colleges, or community and technical
13 colleges or a designee chosen by the board to negotiate on its behalf.
14 A governing board may elect to have its negotiations conducted by the
15 governor or governor's designee under the procedures provided for
16 general government agencies in subsections (1), (2), and (3) of this
17 section. Prior to entering into negotiations under this chapter, the
18 institutions of higher education or their designees shall consult with
19 the director of the office of financial management regarding financial
20 and budgetary issues that are likely to arise in the impending
21 negotiations. If appropriations are necessary to implement the
22 compensation and fringe benefit provisions of the bargaining agreements
23 reached between institutions of higher education and exclusive
24 bargaining representatives agreed to under the provisions of this
25 chapter, the governor shall submit a request for such funds to the
26 legislature according to the provisions of subsection (3) of this
27 section.

28 (5) There is hereby created a joint committee on employment
29 relations, which consists of two members with leadership positions in
30 the house of representatives, representing each of the two largest
31 caucuses; two members of the house appropriations committee, or its
32 successor, representing each of the two largest caucuses; two members
33 with leadership positions in the senate, representing each of the two
34 largest caucuses; and two members of the senate ways and means
35 committee, or its successor, representing each of the two largest
36 caucuses. The governor shall periodically consult with the committee
37 regarding appropriations necessary to implement the compensation and
38 fringe benefit provisions in the master collective bargaining
39 agreements, and upon completion of negotiations, advise the committee

1 on the elements of the agreements and on any legislation necessary to
2 implement the agreements.

3 (6) If, after the compensation and fringe benefit provisions of an
4 agreement are approved by the legislature, a significant revenue
5 shortfall occurs resulting in reduced appropriations, both parties
6 shall immediately enter into collective bargaining for a mutually
7 agreed upon modification of the agreement.

8 (7) After the expiration date of a collective bargaining agreement
9 negotiated under this chapter, all of the terms and conditions
10 specified in the collective bargaining agreement remain in effect until
11 the effective date of a subsequently negotiated agreement, not to
12 exceed one year from the expiration date stated in the agreement.
13 Thereafter, the employer may unilaterally implement according to law.

14 NEW SECTION. **Sec. 303.** SCOPE OF BARGAINING. (1) Except as
15 otherwise provided in this chapter, the matters subject to bargaining
16 include wages, hours, and other terms and conditions of employment, and
17 the negotiation of any question arising under a collective bargaining
18 agreement.

19 (2) The employer is not required to bargain over matters pertaining
20 to:

21 (a) Health care benefits or other employee insurance benefits,
22 except as required in subsection (3) of this section;

23 (b) Any retirement system or retirement benefit; or

24 (c) Rules of the director of personnel or the Washington personnel
25 resources board adopted under section 203, chapter . . . , Laws of 2000
26 (section 203 of this act).

27 (3) Matters subject to bargaining include the number of names to be
28 certified for vacancies, promotional preferences, and the dollar amount
29 expended on behalf of each employee for health care benefits. However,
30 except as provided otherwise in this subsection for institutions of
31 higher education, negotiations regarding the number of names to be
32 certified for vacancies, promotional preferences, and the dollar amount
33 expended on behalf of each employee for health care benefits shall be
34 conducted between the employer and one coalition of all the exclusive
35 bargaining representatives subject to this chapter. Any such provision
36 agreed to by the employer and the coalition shall be included in all
37 master collective bargaining agreements negotiated by the parties. For
38 institutions of higher education, promotional preferences and the

1 number of names to be certified for vacancies shall be bargained under
2 the provisions of section 302(4) of this act.

3 (4) The employer and the exclusive bargaining representative shall
4 not agree to any proposal that would prevent the implementation of
5 approved affirmative action plans or that would be inconsistent with
6 the comparable worth agreement that provided the basis for the salary
7 changes implemented beginning with the 1983-1985 biennium to achieve
8 comparable worth.

9 (5) The employer and the exclusive bargaining representative shall
10 not bargain over matters pertaining to management rights established in
11 section 305 of this act.

12 (6) Except as otherwise provided in this chapter, if a conflict
13 exists between an executive order, administrative rule, or agency
14 policy relating to wages, hours, and terms and conditions of employment
15 and a collective bargaining agreement negotiated under this chapter,
16 the collective bargaining agreement shall prevail. A provision of a
17 collective bargaining agreement that conflicts with the terms of a
18 statute is invalid and unenforceable.

19 (7) This section does not prohibit bargaining that affects
20 contracts authorized by section 208 of this act.

21 NEW SECTION. **Sec. 304.** CONTENTS OF COLLECTIVE BARGAINING
22 AGREEMENTS. (1) The parties to a collective bargaining agreement shall
23 reduce the agreement to writing and both shall execute it.

24 (2) A collective bargaining agreement shall contain provisions
25 that:

26 (a) Provide for a grievance procedure that culminates with final
27 and binding arbitration of all disputes arising over the interpretation
28 or application of the collective bargaining agreement and that is valid
29 and enforceable under its terms when entered into in accordance with
30 this chapter; and

31 (b) Require processing of disciplinary actions or terminations of
32 employment of employees covered by the collective bargaining agreement
33 entirely under the procedures of the collective bargaining agreement.
34 Any employee, when fully reinstated, shall be guaranteed all employee
35 rights and benefits, including back pay, sick leave, vacation accrual,
36 and retirement and federal old age, survivors, and disability insurance
37 act credits, but without back pay for any period of suspension.

1 (3)(a) If a collective bargaining agreement between an employer
2 and an exclusive bargaining representative is concluded after the
3 termination date of the previous collective bargaining agreement
4 between the employer and an employee organization representing the same
5 bargaining units, the effective date of the collective bargaining
6 agreement may be the day after the termination of the previous
7 collective bargaining agreement, and all benefits included in the new
8 collective bargaining agreement, including wage or salary increases,
9 may accrue beginning with that effective date.

10 (b) If a collective bargaining agreement between an employer and an
11 exclusive bargaining representative is concluded after the termination
12 date of the previous collective bargaining agreement between the
13 employer and the exclusive bargaining representative representing
14 different bargaining units, the effective date of the collective
15 bargaining agreement may be the day after the termination date of
16 whichever previous collective bargaining agreement covering one or more
17 of the units terminated first, and all benefits included in the new
18 collective bargaining agreement, including wage or salary increases,
19 may accrue beginning with that effective date.

20 NEW SECTION. **Sec. 305.** MANAGEMENT RIGHTS. The employer shall not
21 bargain over rights of management which, in addition to all powers,
22 duties, and rights established by constitutional provision or statute,
23 shall include but not be limited to the following:

24 (1) The functions and programs of the employer, the use of
25 technology, and the structure of the organization;

26 (2) The employer's budget and the size of the agency work force,
27 including determining the financial basis for layoffs;

28 (3) The right to direct and supervise employees; and

29 (4) The right to take whatever actions are deemed necessary to
30 carry out the mission of the state and its agencies during emergencies.

31 NEW SECTION. **Sec. 306.** RIGHTS OF EMPLOYEES. Except as may be
32 specifically limited by this chapter, employees shall have the right to
33 self-organization, to form, join, or assist employee organizations, and
34 to bargain collectively through representatives of their own choosing
35 for the purpose of collective bargaining free from interference,
36 restraint, or coercion. Employees shall also have the right to refrain
37 from any or all such activities except to the extent that they may be

1 required to pay a fee to an exclusive bargaining representative under
2 a union security provision authorized by this chapter.

3 NEW SECTION. **Sec. 307.** RIGHT TO STRIKE NOT GRANTED. Nothing
4 contained in chapter . . . , Laws of 2000 (this act) permits or grants
5 to any employee the right to strike or refuse to perform his or her
6 official duties.

7 NEW SECTION. **Sec. 308.** BARGAINING UNITS. (1) A bargaining unit
8 of employees covered by this chapter existing on the effective date of
9 this section shall be considered an appropriate unit, unless the unit
10 does not meet the requirements of (a) and (b) of this subsection. The
11 commission, after hearing upon reasonable notice to all interested
12 parties, shall decide, in each application for certification as an
13 exclusive bargaining representative, the unit appropriate for
14 certification. In determining the new units or modifications of
15 existing units, the commission shall consider: The duties, skills, and
16 working conditions of the employees; the history of collective
17 bargaining; the extent of organization among the employees; the desires
18 of the employees; and the avoidance of excessive fragmentation.
19 However, a unit is not appropriate if it includes:

20 (a) Both supervisors and nonsupervisory employees. A unit that
21 includes only supervisors may be considered appropriate if a majority
22 of the supervisory employees indicates by vote that they desire to be
23 included in such a unit; or

24 (b) More than one institution of higher education. For the
25 purposes of this section, any branch or regional campus of an
26 institution of higher education is part of that institution of higher
27 education.

28 (2) The exclusive bargaining representatives certified to represent
29 the bargaining units existing on the effective date of this section
30 shall continue as the exclusive bargaining representative without the
31 necessity of an election.

32 (3) If a single employee organization is the exclusive bargaining
33 representative for two or more units, upon petition by the employee
34 organization, the units may be consolidated into a single larger unit
35 if the commission considers the larger unit to be appropriate. If
36 consolidation is appropriate, the commission shall certify the employee

1 organization as the exclusive bargaining representative of the new
2 unit.

3 NEW SECTION. **Sec. 309.** REPRESENTATION. (1) The commission shall
4 determine all questions pertaining to representation and shall
5 administer all elections and be responsible for the processing and
6 adjudication of all disputes that arise as a consequence of elections.
7 The commission shall adopt rules that provide for at least the
8 following:

9 (a) Secret balloting;

10 (b) Consulting with employee organizations;

11 (c) Access to lists of employees, job classification, work
12 locations, and home mailing addresses;

13 (d) Absentee voting;

14 (e) Procedures for the greatest possible participation in voting;

15 (f) Campaigning on the employer's property during working hours;

16 and

17 (g) Election observers.

18 (2)(a) If an employee organization has been certified as the
19 exclusive bargaining representative of the employees of a bargaining
20 unit, the employee organization may act for and negotiate master
21 collective bargaining agreements that will include within the coverage
22 of the agreement all employees in the bargaining unit as provided in
23 section 302(2)(a) of this act. However, if a master collective
24 bargaining agreement is in effect for the exclusive bargaining
25 representative, it shall apply to the bargaining unit for which the
26 certification has been issued. Nothing in this section requires the
27 parties to engage in new negotiations during the term of that
28 agreement.

29 (b) This subsection (2) does not apply to exclusive bargaining
30 representatives who represent employees of institutions of higher
31 education.

32 (3) The certified exclusive bargaining representative shall be
33 responsible for representing the interests of all the employees in the
34 bargaining unit. This section shall not be construed to limit an
35 exclusive representative's right to exercise its discretion to refuse
36 to process grievances of employees that are unmeritorious.

37 (4) No question concerning representation may be raised if:

1 (a) Fewer than twelve months have elapsed since the last
2 certification or election; or

3 (b) A valid collective bargaining agreement exists covering the
4 unit, except for that period of no more than one hundred twenty
5 calendar days nor less than ninety calendar days before the expiration
6 of the contract.

7 NEW SECTION. **Sec. 310.** IMPASSE. Should the parties fail to reach
8 agreement in negotiating a collective bargaining agreement, either
9 party may request of the commission the assistance of an impartial
10 third party to mediate the negotiations.

11 If a collective bargaining agreement previously negotiated under
12 this chapter should expire while negotiations are underway, the terms
13 and conditions specified in the collective bargaining agreement shall
14 remain in effect for a period not to exceed one year from the
15 expiration date stated in the agreement. Thereafter, the employer may
16 unilaterally implement according to law.

17 If resolution is not reached through mediation by one hundred days
18 beyond the expiration date of a contract previously negotiated under
19 this chapter, or one hundred days from the initiation of mediated
20 negotiations if no such contract exists, an independent fact-finder
21 shall be appointed by the commission.

22 The fact-finder shall meet with the parties or their
23 representatives, or both, and make inquiries and investigations, hold
24 hearings, and take such other steps as may be appropriate. If the
25 dispute is not settled, the fact-finder shall make findings of fact and
26 recommend terms of settlement within thirty days.

27 Such recommendations, together with the findings of fact, shall be
28 submitted in writing to the parties and the commission privately before
29 they are made public. The commission, the fact-finder, the employer,
30 or the exclusive bargaining representative may make such findings and
31 recommendations public if the dispute is not settled within ten working
32 days after their receipt from the fact-finder.

33 Nothing in this section shall be construed to prohibit an employer
34 and an exclusive bargaining representative from agreeing to substitute,
35 at their own expense, their own procedure for resolving impasses in
36 collective bargaining for that provided in this section or from
37 agreeing to utilize for the purposes of this section any other
38 governmental or other agency or person in lieu of the commission.

1 Costs for mediator services shall be borne by the commission, and
2 costs for fact-finding shall be borne equally by the negotiating
3 parties.

4 NEW SECTION. **Sec. 311.** UNION SECURITY. (1) A collective
5 bargaining agreement may contain a union security provision requiring
6 as a condition of employment the payment, no later than the thirtieth
7 day following the beginning of employment or the effective date of this
8 section, whichever is later, of an agency shop fee to the employee
9 organization that is the exclusive bargaining representative for the
10 bargaining unit in which the employee is employed. The amount of the
11 fee shall be equal to the amount required to become a member in good
12 standing of the employee organization. Each employee organization
13 shall establish a procedure by which any employee so requesting may pay
14 a representation fee no greater than the part of the membership fee
15 that represents a pro rata share of expenditures for purposes germane
16 to the collective bargaining process, to contract administration, or to
17 pursuing matters affecting wages, hours, and other conditions of
18 employment.

19 (2) An employee who is covered by a union security provision and
20 who asserts a right of nonassociation based on bona fide religious
21 tenets, or teachings of a church or religious body of which the
22 employee is a member, shall, as a condition of employment, make
23 payments to the employee organization, for purposes within the program
24 of the employee organization as designated by the employee that would
25 be in harmony with his or her individual conscience. The amount of the
26 payments shall be equal to the periodic dues and fees uniformly
27 required as a condition of acquiring or retaining membership in the
28 employee organization minus any included monthly premiums for insurance
29 programs sponsored by the employee organization. The employee shall
30 not be a member of the employee organization but is entitled to all the
31 representation rights of a member of the employee organization.

32 (3) Upon filing with the employer the written authorization of a
33 bargaining unit employee under this chapter, the employee organization
34 that is the exclusive bargaining representative of the bargaining unit
35 shall have the exclusive right to have deducted from the salary of the
36 employee an amount equal to the fees and dues uniformly required as a
37 condition of acquiring or retaining membership in the employee
38 organization. The fees and dues shall be deducted each pay period from

1 the pay of all employees who have given authorization for the deduction
2 and shall be transmitted by the employer as provided for by agreement
3 between the employer and the employee organization.

4 (4) Employee organizations that before the effective date of this
5 section were entitled to the benefits of this section shall continue to
6 be entitled to these benefits.

7 NEW SECTION. **Sec. 312.** UNFAIR LABOR PRACTICES ENUMERATED. (1) It
8 is an unfair labor practice for an employer:

5 in the superior court. Arbitrators may administer oaths. Subpoenas
6 shall issue and be signed by the arbitrator and shall be served in the
7 same manner as subpoenas to testify before a court of record in this

27 in which the labor dispute exists and such court shall have
28 jurisdiction to issue an order compelling arbitration. Disputes
29 concerning compliance with grievance procedures shall be reserved for
30 determination by the arbitrator. Arbitration shall be ordered if the
31 grievance states a claim that on its face is covered by the collective
32 bargaining agreement. Doubts as to the coverage of the arbitration
33 clause shall be resolved in favor of arbitration.

34 (5) If a party to a collective bargaining agreement negotiated
