19 fiscal year beginning January 1, 2001, the phrase "the previous fiscal

1 year's local expenditure limit" means the total expenditures from the  
2 general expense budget, not including federal funds, for the fiscal  
3 year beginning January 1, 2000, plus the local fiscal growth factor for  
4 fiscal year beginning January 1, 1999.

24 of the political subdivision; or

25 (b) The legislative authority of the political subdivision has  
26 declared an emergency by a two-thirds vote of the legislative

29 next general election unless the authority has been approved under (a)  
30 of this subsection.

31 (2) Any ballot measure submitted to the voters under subsection (1)  
32 of this section shall state the proposed percentage increase in  
33 expenditures and the duration of the authority.

34 (3) If the cost of any local program or function is shifted from  
35 the general expense budget on or after January 1, 2000, to another  
36 source of funding, or if moneys are transferred from the general

1 expense budget to another fund or account, the political subdivision  
2 shall lower the local expenditure limit to reflect the shift.
