2 may purchase the membership service under subsection (2)(c) of this
3 section.

4 (4) A former employee who is an active member of the system and is
5 not covered by subsection (2) of this section may establish membership
6 service by making the required payments under subsection (2)(c) of this
7 section prior to the retirement of the member.

8 (5) All payments made by the member under this section shall be

5 authorized leave of absence to serve as an elected official of a labor
6 organization, and whose employer is reimbursed by the labor
7 organization for the compensation paid to the member during the period
8 of absence, may also be considered to be on a paid leave of absence.
9 This subsection shall only apply if the member's leave of absence is
10 authorized by a collective bargaining agreement that provides that the
11 member retains seniority rights with the employer during the period of
12 leave. The earnable compensation reported for a member who establishes
13 service credit under this subsection may not be greater than the salary
14 paid to the highest paid job class covered by the collective bargaining
15 agreement.

16 (3) Except as specified in subsection (4) of this section, a member
17 shall be eligible to receive a maximum of two years service credit
18 during a member's entire working career for those periods when a member
19 is on an unpaid leave of absence authorized by an employer. Such

22 plus interest, as determined by the department; and

23 (b) The member makes the employee contribution, plus interest, as
24 determined by the department, to the defined contribution portion.

25 The contributions required shall be based on the average of the

28 (4) A member who leaves the employ of an employer to enter the
29 armed forces of the United States shall be entitled to retirement
30 system service credit for up to five years of military service if
31 within ninety days of the member's honorable discharge from the United

39 41.45.060 and section 507 of this act for the period of military

1 service, plus interest as determined by the department. Service credit
2 under this subsection may be obtained only if the member makes the
3 employee contribution to the defined contribution portion as determined
4 by the department.

5 The contributions required shall be based on the compensation the
6 member would have earned if not on leave, or if that cannot be
7 estimated with reasonable certainty, the compensation reported for the

18 the member's account.

19 (2) No purchased plan 3 membership service may be credited until
20 all payments required of the member are made, with interest. Upon
21 receipt of all payments owed by the member, the department shall bill
22 the employer for any contributions, plus interest, required to purchase
23 membership service.

24 NEW SECTION. **Sec. 308.** (1) The director may pay a member eligible
25 to receive a retirement allowance or the member's beneficiary a lump
26 sum payment in lieu of a monthly benefit if the initial monthly benefit
27 would be less than one hundred dollars. The one hundred dollar limit
28 shall be increased annually as determined by the director. The lump
29 sum payment shall be the actuarial equivalent of the monthly benefit.

30 (2) Persons covered under the provisions of subsection (1) of this
31 section may upon returning to member status reinstate all previous
32 service by depositing the lump sum payment received, with interest as
33 computed by the director, within two years of returning to service or

15 fifty-five and has completed at least ten years of service shall be
16 eligible to retire and to receive a retirement allowance computed
17 according to the provisions of section 303 of this act, except that a
18 member retiring pursuant to this subsection shall have the retirement
19 allowance actuarially reduced to reflect the difference in the number
20 of years between age at retirement and the attainment of age sixty-
21 five.

22 (3) ALTERNATE EARLY RETIREMENT. Any member who has completed at
23 least thirty service credit years and has attained age fifty-five shall
24 be eligible to retire and to receive a retirement allowance computed

27 allowance reduced by three percent per year to reflect the difference
28 in the number of years between age at retirement and the attainment of
29 age sixty-five.

30 NEW SECTION. Sec. 310. (1) A member of the retirement system who
31 becomes totally incapacitated for continued employment by an employer
32 as determined by the department shall be eligible to receive an
33 allowance under the provisions of plan 3. The member shall receive a
34 monthly disability allowance computed as provided for in section 303 of
35 this act and shall have this allowance actuarially reduced to reflect
36 the difference in the number of years between age at disability and the
37 attainment of age sixty-five.

1 Any member who receives an allowance under the provisions of this
2 section shall be subject to comprehensive medical examinations as
3 required by the department. If these medical examinations reveal that
4 a member has recovered from the incapacitating disability and the
5 member is offered reemployment by an employer at a comparable
6 compensation, the member shall cease to be eligible for the allowance.

7 (2) If the recipient of a monthly retirement allowance under this
8 section dies, any further benefit payments shall be conditioned by the
9 payment option selected by the retiree as provided in section 314 of
10 this act.

11 NEW SECTION. **Sec. 311.** (1) Any member who elects to transfer to
12 plan 3 and has eligible unrestored withdrawn contributions in plan 2,
13 may restore such contributions under the provisions of RCW 41.40.740
14 with interest as determined by the department. The restored plan 2
15 service credit will be automatically transferred to plan 3.
16 Restoration payments will be transferred to the member account in plan
17 3. If the member fails to meet the time limitations of RCW 41.40.740,
18 they may restore such contributions under the provisions of RCW
19 41.50.165(2). The restored plan 2 service credit will be automatically
20 transferred to plan 3. One-half of the restoration payments under RCW
21 41.50.165(2) plus interest shall be allocated to the member's account.

22 (2) Any member who elects to transfer to plan 3 may purchase plan
23 2 service credit under RCW 41.40.740. Purchased plan 2 service credit
24 will be automatically transferred to plan 3. Contributions on behalf
25 of the employer paid by the employee shall be allocated to the defined
26 benefit portion of plan 3 and shall not be refundable when paid to the
27 fund described in RCW 41.50.075(3). Contributions on behalf of the
28 employee shall be allocated to the member account. If the member fails
29 to meet the time limitations of RCW 41.40.740, they may subsequently
30 restore such contributions under the provisions of RCW 41.50.165(2).
31 Purchased plan 2 service credit will be automatically transferred to
32 plan 3. One-half of the payments under RCW 41.50.165(2), plus
33 interest, shall be allocated to the member's account.

34 NEW SECTION. **Sec. 312.** If a member dies prior to retirement, the
35 surviving spouse or eligible child or children shall receive a
36 retirement allowance computed as provided in section 303 of this act
37 actuarially reduced to reflect a joint and one hundred percent survivor

1 option and if the member was not eligible for normal retirement at the
2 date of death a further reduction as described in section 309 of this
3 act.

4 If the surviving spouse who is receiving the retirement allowance
5 dies leaving a child or children under the age of majority, then such
6 child or children shall continue to receive an allowance in an amount
7 equal to that which was being received by the surviving spouse, share
8 and share alike, until such child or children reach the age of
9 majority.

10 If there is no surviving spouse eligible to receive an allowance at
11 the time of the member's death, such member's child or children under
12 the age of majority shall receive an allowance, share and share alike.
13 The allowance shall be calculated with the assumption that the age of
14 the spouse and member were equal at the time of the member's death.

15 NEW SECTION. **Sec. 313.** Beginning July 1, 1979, and every year
16 thereafter, the department shall determine the following information
17 for each retired member or beneficiary whose retirement allowance has
18 been in effect for at least one year:

19 (1) The original dollar amount of the retirement allowance;

20 (2) The index for the calendar year prior to the effective date of
21 the retirement allowance, to be known as "index A";

22 (3) The index for the calendar year prior to the date of
23 determination, to be known as "index B"; and

24 (4) The ratio obtained when index B is divided by index A.

25 The value of the ratio obtained shall be the annual adjustment to
26 the original retirement allowance and shall be applied beginning with
27 the July payment. In no event, however, shall the annual adjustment:

28 (a) Produce a retirement allowance which is lower than the original
29 retirement allowance;

30 (b) Exceed three percent in the initial annual adjustment; or

31 (c) Differ from the previous year's annual adjustment by more than
32 three percent.

33 For the purposes of this section, "index" means, for any calendar
34 year, that year's average consumer price index--Seattle, Washington

3 and the member shall be restored to duty in the same civil service
4 rank, if any, held by the member at the time of retirement or, if

3 the recipient equals the amount of the accumulated contributions at the
4 date of retirement, then the balance shall be paid to the member's
5 estate, or such person or persons, trust, or organization as the
6 recipient has nominated by written designation duly executed and filed
7 with the director, or, if there is no such designated person or persons

10 service, plus interest as determined by the department.

11 (c) The contributions required under (a)(ii) of this subsection
12 shall be based on the compensation the member would have earned if not
13 on leave, or if that cannot be estimated with reasonable certainty, the
14 compensation reported for the member in the year prior to when the
