Brief Title: Providing an additional funding source for courts.

HB 1026 - DIGEST

Provides that, in every county that has enacted a local option resolution pursuant to this act, the clerks of the district courts shall collect an additional filing fee of fourteen dollars upon the commencement or transfer of a civil action for which a filing fee is collected under this section. Revenue collected under this section shall be deposited in the court improvement account created in this act, and is exempt from the percentage distribution remittance required in RCW 3.62.020(2).

Makes various appropriations to carry out the purposes of the act.
