Brief Title: Creating a state board of consulting foresters.

HB 1055 - DIGEST

Creates a state board of consulting foresters.

Declares an intent to provide for the protection and benefit of the public by ensuring application of the highest standards relative to the practice of consulting forestry and to provide protection of the public from unqualified consulting forestry practitioners.

Requires consulting foresters to be licensed by the board.

Designates minimum requirements for licensure.

Establishes provisions for suspension of a license for violations of the act.

Specifies criminal penalties for violation of the act.
