

1072-S

Sponsor(s): House Committee on State Government (originally sponsored by Representatives Romero and D. Schmidt; by request of Alternative Public Works Methods Oversight Committee)

Brief Title: Changing provisions relating to the alternative works process.

HB 1072-S - DIGEST

(AS OF HOUSE 2ND READING 3/9/99)

Declares that public bodies may also use the design-build procedure for the following projects that meet the criteria of RCW 39.10.050: (1) The construction or erection of preengineered metal buildings, prefabricated modular buildings, or the design, fabrication, and installation of building engineering systems, regardless of cost; or

(2) the construction of new student housing projects valued over five million dollars.
