Brief Title: Modifying the procedure for collecting fees from
railroad companies that operate in this state.

HB 1266 - DIGEST

Provides that, each year every railroad company shall file a statement with the commission showing its gross operating revenues derived within this state for the previous calendar year.

Requires each railroad to pay to the commission a fee equal to 0.2 percent of the reported gross operating revenue. The statement and the fee must be submitted and paid no later than May 1st of each year.
