Brief Title: Changing permit assistance center provisions.

HB 1302 - DIGEST

Directs the permit assistance center to provide a biennial report to the legislature that: (1) Provides policy and operational recommendations for streamlining and coordinating environmental permitting in Washington;

(2) summarizes the results of the center's efforts to measure center performance and outcomes over time; and

(3) provides budget accounting that includes all expenses and income received biennially.

Repeals RCW 43.131.387 and 43.131.388.
