Brief Title: Changing lake outflow regulation.

HB 1744 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that ten or more owners of real property abutting on a lake may petition the superior court of the county in which the lake is situated, for an order to provide for the regulation of the outflow of the lake in order to maintain a certain water level therein.

Provides that, if there are fewer than ten owners, a majority of the owners abutting on a lake may petition the superior court for such an order.
