Brief Title: Increasing the number of hours retired teachers and administrators can serve as substitute teachers or administrators without a reduction in benefits.

HB 1761 - DIGEST

(DIGEST AS ENACTED)

Increases the number of hours that a retired teacher or retired administrator can teach without a reduction in benefits from one hundred five to three hundred fifteen hours per school year.

Declares that, in addition to the five hundred twenty-five hours of service permitted under this act and the one hundred five hours permitted under this act, a retired principal may also serve as a substitute principal up to an additional two hundred ten hours per school year without a reduction of pension if a school district board of directors adopts a resolution declaring that the services of a retired principal are necessary because it cannot find a replacement principal to fill a vacancy. The resolution shall be valid only for the school year in which it is adopted. The district shall forward a copy of the resolution with the name of the retired principal who has been employed as a substitute principal to the department.
