Brief Title: Defining technical assistance documents.

HB 1777-S - DIGEST

(DIGEST AS ENACTED)

Declares that "technical assistance documents" means documents prepared to provide information specified in RCW 43.05.010 entitled a technical assistance document by the agency head or its designee. Technical assistance documents do not include notices of correction, violation, or enforcement action. Technical assistance documents do not impose mandatory obligations or serve as the basis for a citation.
