

1826-S

Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Grant, Linville, Mastin and G. Chandler)

Brief Title: Requiring appointment of water masters in watershed management areas with WRIA plans.

**HB 1826-S - DIGEST**

(DIGEST AS ENACTED)

Provides that a water master may be appointed by the department for a watershed management area for which a plan adopted by a planning unit and by the counties with territory in the watershed management area under RCW 90.82.130 contains a requirement or request that a water master be appointed, subject to availability of state or nonstate funding.
