Brief Description: Authorizing temporary school levies for school facilities.

HB 1830 - DIGEST

Authorizes a school district to impose a regular property tax levy for a two-year period under this act to support the construction of school plant facilities or the purchase, rent, or lease of building space or portable buildings, if the voters of the district have defeated propositions for tax levies for such purposes under Article VII, section 2 (a) or (b) of the state Constitution twice within a twelve-month period.

Declares that a levy under this act may be imposed if the proposition submitted to the voters received approval by at least a majority of the total number of voters voting on the proposition at each election for the proposition, and is approved by a majority vote of the school board.
