Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives G. Chandler and Linville)

Brief Title: Requiring the department of ecology to file certain rejected water rights claims in the claims registry.

**HB 2094-S.E - DIGEST**

(AS OF HOUSE 2ND READING 3/17/99)

Provides that certain persons who submitted a water right claim form with the department between September 1, 1997, and June 30, 1998, and whose claim was rejected by the department because the department deemed the claim to be incomplete and thus not in compliance with RCW 90.14.051 may submit additional information as provided in this act in support of the claim between July 1, 1999, and December 31, 1999.
