Brief Title: Reallocating local motor vehicle excise tax for public transportation.

HB 2129 - DIGEST

Revises RCW 82.44.180 to require the transportation improvement board to allocate: (1) Sixty percent of the funds from the account to public transportation benefit areas, metropolitan municipal corporations, and regional transportation authorities operating within counties whose population is three hundred thousand or greater; and

(2) forty percent of the funds from the account to municipal corporations, as defined in RCW 35.58.272, that provide public transportation services that are not eligible for the sixty percent distribution in (1).
