Brief Title: Changing intertie provisions.

HB 2186 - DIGEST

Provides that an intertie shall not be used to deliver a primary or secondary supply of water to a receiving system on a temporary basis unless the terms of the intertie agreement specify the source of the water that will be used by the receiving system to replace the water delivered on the temporary basis and provide that replacement water will be available for delivery to or use by the receiving system before delivery by the supplying system under the agreement is terminated.
