

2234-S

Sponsor(s): House Committee on Appropriations (originally sponsored by Representatives Huff, H. Sommers and Carlson)

Brief Title: Changing K-20 telecommunications governance.

HB 2234-S - DIGEST

(AS OF HOUSE 2ND READING 3/12/99)

Declares that the board has the duty to govern, operate, and oversee the K-20 network, including but not limited to the following duties: Establishing and implementing K-20 network policy, including network rates, growth, finance, subsidies, and technology; establishing and implementing network user policies including user access; budget request preparation; reviewing K-20 network-related budget requests submitted jointly by the educational sectors to the governor and the legislature; and user/provider dispute resolution. The board shall delegate general operational and technical oversight to the K-20 network user steering committee.

Repeals RCW 28D.02.005, 28D.02.010, 28D.02.020, 28D.02.030, 28D.02.040, and 28D.02.050.
