HB 2332-S - DIGEST

(DIGEST AS ENACTED)

Declares an intent to allow students to broaden the types of fund-raisers that they may conduct for charitable purposes in their private nonassociated student body capacities, and ensure that these funds will be separate from student body funds to avoid constitutional issues pertaining to the gifting of public funds.

Declares that nonassociated student body program fund moneys shall not be deemed public moneys under section 7, Article VIII of the state Constitution.
