Brief Description: Providing statutory support for career and technical student organizations.

HB 2531 - DIGEST

(DIGEST AS ENACTED)

Finds that career and technical student organizations are best situated to fulfill their important purpose if they are in existence pursuant to statute and receive ongoing assistance and support from the office of superintendent of public instruction.

Directs the superintendent of public instruction to maintain support for state-wide coordination for career and technical student organizations by providing program staff support that is available to assist in meeting the needs of career and technical student organizations and their members and students.
