Brief Description: Authorizing changes to the VIN inspection program.

HB 2580 - DIGEST

(AS _____ OF HOUSE 2ND READING 1/27/00)

Requires the Washington state patrol to provide a report to the legislature by August 1, 2003, that includes: (1) The number of vehicles inspected at the Washington state patrol vehicle identification number facilities subsequently determined to be stolen vehicles;

(2) the number of vehicles inspected by Washington motor vehicle dealers subsequently determined to be stolen vehicles; and

(3) a comparative analysis of those vehicles subsequently determined to be stolen for the purpose of identifying any deficiencies in the motor vehicle dealer self-inspection program.
