Brief Description: Studying the energy facility siting process.

**HB 2601 - DIGEST**

Creates the joint legislative task force on energy facility siting reform.

Provides that the joint legislative task force on energy facility siting reform is charged with reviewing the current siting process for energy facilities set forth in chapter 80.50 RCW for the purpose of recommending statutory changes designed to modernize the siting process to better respond to the significant regulatory, environmental, technological, and economic changes affecting energy facility siting decisions.
