Brief Description: Harmonizing state and local standards for emergency load restrictions.

HB 2634 - DIGEST

Directs the department of transportation, in conjunction with the county road administration board, to adopt rules for imposition of road restrictions under RCW 46.44.080. The initial rules will be effective July 1, 2003, and must be reviewed by the department of transportation and the county road administration board at least every two years.
