Brief Description: Creating a telephone solicitation no sales call list.

HB 2672 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Creates a telephone solicitation no sales call list.

Provides that no commercial telephone solicitor or salesperson may make or cause to be made any unsolicited telephone call to a residential, mobile, or telephonic paging device telephone number if the number for the telephone appears in the current no sales call list published by the attorney general under the authority of this act.
