Brief Description: Developing work force training using the apprenticeship model.

**HB 2833 - DIGEST**

Finds that apprenticeship as a job training tool is one of the most effective in the state. The state is experiencing a shortage of skilled workers, especially in this period of economic growth. The most severe shortage is for workers with a postsecondary vocational credential.

Declares an intent to encourage and foster the greater use of the apprenticeship training model in new and emerging industries.

Establishes a joint legislative task force on new and emerging apprenticeships.
