Brief Description: Modifying the definition of health care information.

**HB 2861 - DIGEST**

(AS \_\_\_\_\_ OF HOUSE 2ND READING 2/11/00)

Provides that "health care information" means any information, whether oral or recorded in any form or medium, that identifies or can readily be associated with the identity of a patient and directly relates to the patient's health care, including a patient's deoxyribonucleic acid and identified sequence of chemical base pairs.
