

2872-S

Sponsor(s): House Committee on Financial Institutions & Insurance  
(originally sponsored by Representatives DeBolt, Alexander, Benson  
and Hatfield)

Brief Description: Protecting purchasers of manufactured homes.

**HB 2872-S.E - DIGEST**

(AS OF HOUSE 2ND READING 2/15/00)

Establishes the joint task force on manufactured home sales to review the sales practices, transfer of ownership, land-home packages offered by dealers, installation, and other practices related to the purchase, closing, and installation of a manufactured home, and to make recommendations for legislation and policy regarding methods to provide better protection for purchasers of manufactured homes.
