Brief Description: Providing funds for the state legislative building renovation.

HB 2889 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Adopts and authorizes the implementation of the legislative building rehabilitation and capitol addition plan as proposed by the commission on the preservation and renovation of the legislative building in their report to the legislature, January 20, 2000.

Provides that, for the purpose of providing funds for the planning, design, construction, and other necessary costs for the rehabilitation of the state legislative building and construction of the capitol addition, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of one hundred one million four hundred forty-five thousand dollars or as much as may be required to finance the improvements defined in the legislative building rehabilitation and capitol addition plan and all costs incidental thereto.
