Brief Description: Planning by general and special purpose local governments.

HB 2906 - DIGEST

Provides that, not later than July 1, 2002, a county planning under chapter 36.70A RCW shall initiate a collaborative process for the development of a county-wide planning policy for the coordination of planning for the following public facilities: (1) Sanitary and storm sewers;

- (2) potable water facilities;
- (3) parks and recreational facilities;
- (4) fire suppression;
- (5) libraries;
- (6) schools; and
- (7) transportation, including roads, mass transit, marine transportation, and general aviation. The policy shall be developed collaboratively among the county, the cities located in part or in whole within the county, and special purpose districts providing one or more of such public facilities.
