Brief Description: Prohibiting public baccalaureate institutions of higher education from accepting donations with certain restrictions.

HB 3145 - DIGEST

Declares that public baccalaureate institutions of higher education are prohibited from accepting funds from any source that places conditions or restrictions on the use of such funds in a manner that may interfere with or otherwise limit the academic freedom and integrity of a public baccalaureate institution. This provision shall not be construed to prohibit a donor from earmarking funds for a particular purpose or use including but not limited to research, scholarships, construction, or development.
