Brief Description: Allowing dealers of recreational licenses to collect a fee of at least two dollars for each license sold.

SB 5020 - DIGEST

(DIGEST AS ENACTED)

Declares that a transaction fee on recreational licenses may be set by the commission and collected from licensees. The department may authorize all or part of such fee to be paid directly to a contractor providing automated licensing system services. Fees retained by dealers shall be uniform throughout the state. The department shall authorize dealers to collect and retain dealer fees of at least two dollars for purchase of a standard hunting or fishing recreational license document, except that the commission may set a lower dealer fee for issuance of tags or when a licensee buys a license that involves a stamp or display card format rather than a standard department licensing document form.

Declares that the license fee for a two-day personal use shellfish and seaweed license is six dollars for residents or nonresidents fifteen years of age or older.
