Brief Description: Imposing a penalty for state agencies that fail to meet legislative reporting requirements.

SB 5066 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that if a state agency has a legislatively mandated requirement to report to the legislature or legislative committees regarding a specific matter by a date certain and the agency either fails to report to the legislature by the specified time or provides a report that is insufficiently responsive to the legislation requiring the report, the legislature, by concurrent resolution, shall impose a one hundred thousand dollar penalty.
