

5073

Sponsor(s): Senators Morton and Hochstatter

Brief Description: Increasing the acreage of land granted to the state that is subject to sale in one parcel.

SB 5073 - DIGEST

Provides that, beginning January 1, 1998, not more than six thousand four hundred acres of any land granted to the state by the United States may be offered for sale, transfer, trade, or exchange in one parcel except by explicit legislative directive.
