Brief Title: Requiring the office of financial management to report
annually to the legislature on agencies' compliance with new laws
and use of specific funding.

SB 5271-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, beginning December 1, 1999, the office shall
publish an annual index that reports, by subject and legislative
bill number, for all session laws beginning with the 1999
legislative session: (1) Rules adopted as a result of the
legislation;

(2) reports and studies required by the legislation, and
sources for obtaining the reports and studies; and

(3) each agency's contact for tracking expenditures of moneys
appropriated for specified purposes under the legislation other
than for ongoing regular programs.
