Brief Description: Providing a bonus for certain first year teachers.

SB 5407 - DIGEST

Declares that for certificated instructional staff hired with zero years of service specifically assigned to teaching duties that include the subjects of math or science or both and who had at least a 3.5 grade point average at the time of their graduation from a college or university, there shall be a five thousand dollar bonus paid as follows: Two thousand dollars upon completion of the first year of teaching; one thousand dollars upon completion of the second year of teaching; one thousand dollars upon completion of the third year of teaching; and one thousand dollars upon completion of the fourth year of teaching.
