Brief Description: Establishing a community outdoor athletic fields board and account to provide assistance with the repair, maintenance, or construction of community athletic fields.

**SB 5518 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that it is the policy of the state and its agencies to plan, acquire, construct, maintain, repair, replace, rehabilitate, improve, and develop community outdoor athletic fields and provide loans and grants for local governments, school districts, and qualified nonprofit organizations to provide community outdoor athletic fields and make an equitable geographic distribution of the funds.
