Brief Description: Calculating the time limits for local project review under the growth management act.

**SB 5519 - DIGEST**

(AS OF SENATE 2ND READING 3/15/99)

Declares that, with respect to any application that is subject to the authority of a community municipal corporation council under RCW 35.14.040, the time between the date of the final decision by the local government and the date of decision by the community municipal corporation council is not to exceed sixty days.
