Brief Description: Creating a public listing of residential telephone numbers whose subscribers have affirmatively requested not to receive commercial telephone solicitations.

SB 5636 - DIGEST

Directs the attorney general to maintain a public listing of residential telephone numbers whose subscribers have affirmatively requested not to receive commercial telephone solicitations. The attorney general and the utilities and transportation commission shall make reasonable efforts, within existing resources, to publicize the availability of the public listing and the method or methods by which residential telephone subscribers may have their telephone numbers placed on the list. The listing shall be available for inspection by the public in written and electronic form.
