Brief Description: Requiring a purchaser of timber by contract to provide proof of payment of all taxes before release of a performance bond.

SB 5651 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires that any time that the department of natural resources sells timber by contract that includes a performance bond, the department shall require the purchaser to present proof of any and all taxes paid prior to the release of the performance bond. The county treasurer shall provide to the purchaser certified evidence of taxes paid that clearly discloses the sale contract number.
