

5681-S

Sponsor(s): Senate Committee on Energy, Technology & Telecommunications (originally sponsored by Senator Brown)

Brief Title: Studying current state and local taxation of the electricity industry.

SB 5681-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Directs the department of revenue to conduct a study and prepare a report of current state and local taxation of the electricity industry and options for changes to avoid revenue loss, promote competitive neutrality, and encourage economic development within the electricity industry.

Makes appropriations to carry out the purposes of the act.
