Brief Title: Clarifying transportation planning.

SB 5750-S.E - DIGEST

(AS OF SENATE 2ND READING 3/17/99)

Requires the state-owned facilities component of the state-wide transportation plan to be consistent with RCW 47.06.040 and shall identify the most cost-effective combination of transportation investments that maximizes the efficient movement of people, freight, and goods within state transportation corridors, to include public-private transportation initiatives.

Provides that congestion relief must be a primary emphasis of the capacity and operational improvement element.
